Framework agreement with several operators

Maximum number Envisaged maximum number of participants to the framework agreement  
: 3

**Duration of the framework agreement**

Duration in years: 2

**II.1.5. Short description of the contract or purchase(s)**

Dong Energy with this tender intends to buy Streamserve Consultancy Services. The selected supplier is expected to have consultants (Streamserve Architects and Streamserve Developers) within a team of no less than 3-4, who can cover the full scope of qualifications required to provide full support of Streamserve application for Dong Energy, including System and Database administration and Java programming. The tasks will vary, as the consultants will supplement Dong Energy's own Streamserve consultants when workload is too high. Part of the consultancy services will include working with documents in Danish language so the selected supplier is expected to have at least 2 consultants who will be able to provide services in Danish or other Scandinavian language. Furthermore, in order to enhance working cooperation, it is expected that the consultants will provide a big part of the services on site at Dong Energy locations in the greater Copenhagen area.

**II.1.6. CPV code(s)**

72000000 IT services: consulting, software development, Internet and support

---

#### **VI.1. Information about recurrence**

This is a recurrent procurement: no

#### **VI.2. Information about European Union funds**

The procurement is related to a project and/or programme financed by European Union funds:  
no

#### **VI.3. Additional information**

To participate in the pre-qualification the applicant must register in the eSourcing system Scanmarket, where the documents will be available.

Upon registration the applicant is given access to relevant information and documents and the ability to apply to pre-qualification. The applicant may register for free at the page:

<https://dongenergy.scanmarket.com/SupplierRegistration/NewSupplier?eventId=154449&ccsum=a5c6054835c5ac10442faf2067e91c60>

Part of the consultancy services will include working with documents in Danish language so the selected supplier is expected to have at least 2 consultants who will be able to provide services in Danish or other Scandinavian language. Accordingly, Dong Energy requests Candidates to submit a written confirmation that the supplier will be able to comply with this requirement in case it will win the tender. If a Candidate does not provide such written confirmation, Dong Energy will consider rejecting the application.

It is important for Dong Energy that the service provider will be able to provide services on-site in Dong Energy offices in Greater Copenhagen area. Accordingly, Dong Energy requests Candidates to submit a written confirmation that the supplier will be able to provide consultancy services on-site (i.e. in Dong Energy offices in greater Copenhagen area) in case it will win the tender. If a Candidate does not provide such written confirmation, Dong Energy will consider rejecting the application.

Maximum 5 Candidates will be pre-qualified for the tender procedure based on the results of the pre-qualification.

If the number of Candidates applying for pre-qualification exceeds 5 (five), the Contracting Entity will perform the pre-qualification on the basis of an evaluation of each Candidate's respective economic and financial standing as well as technical ability/professional ability. Based on such evaluation, the 5 (five) best Candidates will be pre-qualified.

The contracting entity reserves the right — subject to the principles of equal treatment and transparency — to request a Candidate to submit missing or insufficient information according to Section III.2.1), III.2.2) and III.2.3) or, if applicable, to use information already in the

Contracting entity's possession or obtain such information provided it is publicly available. However, the contracting entity is not obliged to do so.
