Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Requirement on parent company guarantee or bank guarantee.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes
Description of particular conditions: In consideration of the environment, social conditions and employment in the region, the Contracting Authority will announce that there will be requirements that the laundry does not move out of the region during the contract period, including any option years.

All customers that are part of this competition will require that all production to fulfil the the above named contracts takes place at the production facility at Birii throughout the entire contract period.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: See the pre-qualification documentation.

III.2.2. Economic and financial ability

List and brief description of conditions: See the pre-qualification documentation.

Minimum level(s) of standards possibly required: See the pre-qualification documentation.

III.2.3. Technical and professional ability

List and brief description of conditions:

See the pre-qualification documentation.

Minimum level(s) of standards possibly required:

See the pre-qualification documentation.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Negotiated

Some candidates have already been selected (if appropriate under certain types of negotiated procedures) no

IV.1.2. Information about the limits on the number of candidates to be invited

Envisaged minimum number 3: and Maximum number 5

Objective criteria for choosing the limited number of candidates: Of the received requests for participation in the competition, the Contracting Authority will invite the tenderers who best fulfil the qualification requirements, to submit a tender offer.

If there are more than five qualified tenderers, the Contracting Authority will undertake a selection amongst the qualified tenderers prior to the competition, so that only five tenderers are invited to submit tender offers. The Contracting Authority will undertake a selection based on who is considered best suited to compete on the contract and the purchase of the shares. To make this selection, there will be points allocated on the different technical and professional qualifications requirements. This includes competence on the operation of the laundry, experience form equivalent deliveries and systems for quality assurance. See the detailed and comprehensive overview in the pre-qualification document.

Maximum number of points achievable is stated under each of the technical and professional qualification requirements. The tenderer's documentation of the qualification requirements is the basis for the evaluation. The Contracting Authority will allocate points to the best of their purchasing discretion. The tenderers who achieve the most points will proceed to the tender phase.

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

Recourse to staged procedure to gradually reduce the number of solutions to be discussed or tenders to be negotiated yes

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information
