V.2.4. Information on value of the contract/lot

Total value of the contract/lot: 566 069,00 GBP

V.2.5. Information about subcontracting

Section VI: Complementary information

VI.3. Additional information

This was the procurement of R&D services and is, accordingly, exempt from the requirements of The Public Contracts (Scotland) Regulations 2015. This Notice is, therefore, published in the OJEU on a voluntary basis.

Contracts awarded are to the law of Scotland.

WES reserves the right to assign all or part of any contracts resulting from this process.

Successful entities will be required to enter into the contractual documents and licence arrangements specified in the accompanying documents.

Bidders which enter the early Programme Stages of the Call and complete that stage with outputs that meet the required performance expectations and satisfy the stage gate criteria can apply for further funding to progress to the next development stage.

Successful bidders which satisfy the stage gate criteria can apply for further funding to progress to the next development stage.

Section II.1.7 relates to the combined funding offered to all successful applicants. Individual contracts were awarded with values up to 47 000 GBP.

(SC Ref:511008).
