The creation of the dynamic purchasing system also has features which encourages SME's. The selection stage is potentially less onerous, as the supplier only has to complete this stage on entry to the DPS (and thereafter periodically reconfirm its status) instead of

having to do so separately for all procurements. As the DPS is open to suppliers throughout its duration, new start-ups, or businesses that wish to expand into new public sector markets, will not be frozen out of the market. The DPS is also available to access by any of the North West contracting authorities listed via the following links: <http://www.nwprocurement.co.uk/index.php> <http://www.nhs.uk/servicedirectories/pages/acutetrustlisting.aspx> <http://www.nhs.uk/servicedirectories/pages/caretrustlisting.aspx> <http://www.nhs.uk/ServiceDirectories/Pages/MentalHealthTrustListing.aspx> <http://www.nhs.uk/ServiceDirectories/Pages/CCGListing.aspx>
