5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Enrolment in a trade register

Description of selection criterion: The tenderer is registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements Requirement: The

tenderer shall be a legally established company. Documented by a Company Registration Certificate or equivalent.

Criterion: Authorisation or membership of a particular organisation needed for service contracts
Description of selection criterion: Is a specific authorisation required from a particular organisation to provide the service in the tenderer's home country? Minimum qualification requirements Requirement: The tenderer shall have the right to operate a bank in Norway. Documentation requirement: A licence letter from the supervisory authority on the right to conduct banking activities.

Criterion: Other economic or financial requirements

Description of selection criterion: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Requirement: The tenderer shall have sufficient economic and financial capacity to carry out the assignment - the tenderer shall be credit worthy. Credit worthy with security is not accepted. A/N is sufficient for newly established tenderers. Documentation requirement: Credit rating of the tenderer, not older than six months calculated from the deadline for receipt of tenders. The assessment shall be based on the last known fiscal figures with an indication of how the credit rating has evolved during the past three years. The result of the credit rating must be given as a graded value (letters or numbers) on a defined scale. Newly established tenderers must document the financial capacity to fulfil the assignment by other documentation, such as accounting figures and a bank guarantee.

Criterion: References on specified services

Description of selection criterion: Only for services: In the reference period, the tenderer has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Requirement: Experience from at least 3 equivalent assignments is required. Equivalent assignments mean assignments from municipalities with more than 10,000 inhabitants or counties. Documentation proof: Tenderers must, upon request, present a list of the most important deliveries or services performed in the last three years, which shall as a minimum contain: - Short description of the assignment - Size or value of the deliveries - Date (contract period) - Name of the customers. Contact information of relevant customers from the list must be presented on request.

Criterion: Environmental management measures

Description of selection criterion: Tenderers can employ the following environmental management measures in connection with the execution of the contract: Minimum qualification requirements Requirement: Tenderers shall have a system and routines for reducing the most important environmental impact from their activities and shall use environmental management measures throughout the contract period. Therefore it is a requirement that the company has an environmental management system, such as Miljøfyrtårn, EMAS, ISO 14001 or equivalent. If the entire company is environmentally labelled with a type 1 environmental label, such as the Swan Ecolabel or equivalent, this is also approved. Documentation: Tenderers shall complete the attached Environmental Self-Declaration, as well as enclose a certificate of environmental management system.

5.1.10. Award criteria

Criterion:

Type: Price

Name: Price

Description: Tenderers shall fill in annex 2 - Price form, including all costs and income for the Contracting Authority. All prices shall be stated in NOK excluding VAT. The prices shall include all costs, including invoice fees, taxes, duties etc. See the terms on price and price adjustment in the contract's points on this. The price of deposits is calculated based on the estimated example: NOK 1.2 billion in bank deposits on average over the year, deposits in the top account and NOK 2 billion time deposits. See annex 6 - Basic data for Trondheim municipality. The price of the overcoat is calculated as a part of the total cost. The evaluation of the price will be based on net cost/income (total cost minus income). Calculation of points on price. The best price will achieve the maximum score, whilst a point score will be given that reflects relevant differences in the price downwards for the other tenders.

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 50

Criterion:

Type: Quality

Name: Quality

Description: Tenderers shall fill in responses to the contracting authority's evaluation requirement in annex 3 - the tenderer's response to the requirement specifications. The contracting authority will assess the different evaluation requirements and each evaluation requirement will receive a score based on the following scale: 8-10 points: The response contributes very positively to the realisation of the contracting authority's needs. 6-8 points: The response contributes to a sufficient degree to the realisation of the need. 4-6 points: The response contributes to some degree to the realisation of needs. 2-4 points: The response contributes to a small degree in the realisation of needs. 0-2 points: The response contributes to an inadequate degree to the realisation of needs. The score of each evaluation requirement will be multiplied by an internal weighting of the evaluation requirement and summed to a total sum for the criterion.
