Section II: Object of the contract

II.1. Description

II.1.1. Title

G-Cloud 7.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 7: Computer and related services

Main site or place of performance: Primarily in the UK with some limited requirements overseas.

NUTS code UK United Kingdom

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

The procurement involves the establishment of a framework agreement

II.1.4. Short description of the contract or purchase(s)

Crown Commercial Service as the Authority has put in place a Pan Government Collaborative Framework Agreement for use by UK public sector bodies (and any future successors to these organisations), which include Central Government Departments and their Arm's Length Bodies and Agencies, Non Departmental Public Bodies, NHS bodies and Local Authorities.

The above Public Sector Bodies have a need for a compliant Procurement Vehicle to access Cloud Computing Services.

This Framework will be a recurring Framework, the maximum duration of any Call-Off Agreement that may be placed by an eligible Contracting Authority is 24 months.

The G-Cloud Framework catalogue, which forms part of the Digital Marketplace, will require frequent procurement refreshes to bring on new suppliers and services. Refreshes are being considered at a varying frequency of 3-12 months depending on demand and/or availability of new services as the IT Cloud market develops.

II.1.5. CPV code(s)

48000000 Software package and information systems, 72000000 IT services: consulting, software development, Internet and support, 72500000 Computer-related services
