5.1.9. Selection criteria

Sources of selection criteria: Notice, Procurement Document

Criterion: Enrolment in a trade register

Description of selection criterion: Tenderers shall be a legally established company or consist of a community of suppliers who are legally established companies. The requirement also applies to entities that the tenderer will use. Tenderers shall not be a unit that is affected by the ban in § 8n in the sanctions regulations of Ukraine. Documentation requirement: Certificate from the Register of Business Enterprises or an equivalent certificate of statutory registration in the country where the tenderer or the entities that jointly constitute the tenderer are established, as well as an equivalent certificate for all entities that the tenderer relies on in order to be qualified. Completed self-declaration regarding the relation to applicable sanctions law. Upon request from the contractor, the tenderer shall document who are real rights holders in the tenderer, companies in the tenderer's group or companies that the tenderer has

controlling ownership or authority in, companies that the tenderer will rely on, contractual partners and anyone else in the supplier chain, as well as information on who is the general manager, chairman and other senior employees at the tenderer.

Criterion: Other economic or financial requirements

Description of selection criterion: The tenderer must have the financial capacity to carry out the contract. Documentation requirement: Annual financial statements for the last three fiscal years which includes the board's report, income statement, balance sheet, notes, and auditor's report.

Criterion: References on specified services

Description of selection criterion: Tenderers shall have competence and experience within the relevant service and shall have carried out assignments of the same nature and degree of difficulty. Documentation requirement: A list of the most important deliveries and services performed during the past three years, including information on the value, time, and the name of the public or private recipient. A minimum of 3 (maximum 5) reference assignments must be reported. Unless certificates from previous contracting authorities are available in each of these specific reference projects, a reference person must be named, who is available in the phase where the tenders are assessed after the tender offer is submitted. The name and email of a reference person must be provided. Any certificate from the reference contracting authority shall state/confirm the reference assignment's nature, complexity and financial extent.

Criterion: Measures for ensuring quality

Description of selection criterion: Tenderers shall have a well-functioning quality system suited to the content of the contract. Documentation requirement: Certificate for the company's quality system/management system issued by independent bodies that confirms the tenderer fulfils certain quality assurance standards, for example ISO 9001:2002. The contracting authority will also accept other documentation which shows that the tenderer has equivalent quality assurance measures. As a minimum a general description of the system's content, including an overview of inspection plans and check-lists that are relevant for this contract, must be given.

Criterion: Authorisation or membership of a particular organisation needed for service contracts

Description of selection criterion: The offered personnel shall be certified as NDT inspector level II or III, certified in accordance with NS-EN ISO 9712:2012. and certification for visual inspections, magnet powder testing, penetrant, ultrasound testing and radiography testing. Documentation requirement: Certificates/proof that the offered personnel are level II or III, certified in accordance with NS-EN ISO 9712:2012.

Criterion: Authorisation or membership of a particular organisation needed for service contracts

Description of selection criterion: Welding Coordinator: The offered personnel shall fulfil the competence requirements for the welding coordinator given in NS-EN ISO 14731 Annex A. Documentation requirement: Certificates/proof that the offered personnel are the welding coordinator in accordance with NS-EN ISO 14731 Annex A.

Criterion: Authorisation or membership of a particular organisation needed for service contracts

Description of selection criterion: Requirement for surface treatment controller (FROSIO): The offered personnel shall be FROSIO certified in accordance with NS 476 level III. Documentation requirement: Certificates/proof that show that the offered personnel are certified in accordance with NS 476 level III.
