**I.4. Type of the contracting authority**

Body governed by public law

**I.5. Main activity**

Public order and safety

**Section II: Object**

---

**II.1. Scope of the procurement****II.1.1. Title**

Supply, Installation and Maintenance of New and Existing Appliance Bay Doors and other Doors/Shutters/Barriers

Reference number: DS256-18

**II.1.2.**

**Main CPV code**

45421100 Installation of doors and windows and related components

**II.1.3. Type of contract**

Services

**II.1.4. Short description**

The Authority is seeking to tender its requirements in respect of installations and maintenance of Appliance Bay Doors. This contract will seek to identify a Contractor for potential installations (not guaranteed but any replacements will be identified annually and quotations sought), but predominantly maintenance (planned preventative and reactive) of new and existing doors/shutters/barriers across the Authority's estate which is located in the counties of Devon and Somerset.

The majority of the contract is concentrated on the appliance bay doors. However there are a number of "Other" doors/barriers/shutters which also require maintenance and have been included within this contract.

**II.1.5. Estimated total value****II.1.6. Information about lots**

This contract is divided into lots: no

**II.2. Description****II.2.2. Additional CPV code(s)**

45421131 Installation of doors, 45421142 Installation of shutters, 45421148 Installation of gates

**II.2.3. Place of performance**

NUTS code: UKK South West (England)

**II.2.4. Description of the procurement**

Scope of the procurement shall include:

- 1) Supply, installation and warranty maintenance of new appliance bay doors to existing premises;
- 2) Supply, installation and warranty maintenance of new appliance bay doors to new premises (potentially under sub-contract within a wider build contract);
- 3) Preventative and reactive maintenance of existing appliance bay doors, and any new doors once warranty maintenance has expired;
- 4) Preventative and reactive maintenance of other door assets which shall include but not be limited to; DERV fuel tank roller shutters, entrance barriers, fire shutters for servery counters, automatic doors, and automatic gates, and any other similar/related assets agreed and varied into the contract during the life of the contract.

The contract shall provide:

- supply,
- deliver,
- installation,
- warranty maintenance,
- planned preventative maintenance (including legislative servicing),
- reactive maintenance, and
- repairs.

The contract has not been divided in to Lots. The Authority has considered its position and where previous contracts for these goods/services/works have been divided into lots, it has

been noted that issues have arisen resulting from different installation providers to maintenance service providers. As such this contract shall be issued as a single lot.

**II.2.5. Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

**II.2.6. Estimated value**

Value excluding VAT: 650 000,00 GBP

**II.2.7. Duration of the contract, framework agreement or dynamic purchasing system**

Start: 01/04/2019 End: 31/03/2022

This contract is subject to renewal: yes

Description of renewals:

It is likely that the Authority will need to re-tender this requirement, however the timescales for this will be subject to any extensions to the contract under options.

**II.2.10. Information about variants**

Variants will be accepted: no

**II.2.11. Information about options**

Options: yes

Description of options:

This is a three (3) year initial term Contract. There is an option to extend this Contract by up to 24 months at 2 12 month intervals. Option to extend will be at the discretion of the Authority with written agreement of the Contractor during the final year of the initial term of the Contract. The Optional extension is valued approximately 280 000,00 GBP.
