III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement:

The tenderer must have their affairs in order with respect to the payment of tax, employer contribution and value added tax (VAT).

Documentation:

The tax certificate must not be older than six months calculated from the deadline for submitting a request for participation. A Tax Certificate is defined as:

For Norwegian tenderers:

— Tax and VAT certificate issued by the tax office via Altinn.

For foreign tenderers:

— Foreign tenderers must submit equivalent certificates from their own country that show that they have an arrangement for the payment of taxes and duties. If the authorities in the relevant country do not issue these certificates, the tenderer should submit a statement which states that all taxes and duties have been paid. The statement shall be approved and signed by the tenderer's Financial Director/ person responsible for finance.

Requirement:

Tenderers shall be a legally established company.

Documentation:

Norwegian tenderers:

— Company registration certificate.

Foreign tenderers:

— Confirmation that the tenderer is registered in a trade register or Register of Business Enterprises in accordance with

the laws of the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement:

The tenderer shall have sufficient financial strength to comply with the contractual obligations.

Documentation:

The tenderer's Annual Financial Statement including the auditor's report for the last 2 years

If the Annual Financial Statements for the last year are not finished before the tender deadline for this contest expires, the last year's preliminary annual accounts should also be attached.

A credit rating from an independent credit rating company must also be enclosed.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement:

The tenderer must have adequate implementation ability.

Documentation:

A short, general description of the company shall be given, including:

— An overview of the company's history, organisation and ownership, as well as a description of the business today.

— A description of how the tenderer is organised for fulfilling this contract.

— A concise description of the overall quality assurance system that the service provider will use for carrying out this contract.

— A concise description of the environment management system the tenderer will use for the execution of the contract.

— A concise description shall be given of the company's internal anti-corruption work.

— Compliance

— A concise description shall be given of the company's systems and/or routines for complying with laws, rules and ethical compliance management.

Requirement:

The tenderer shall have good experience from equivalent assignments.

Documentation:

2 certificates from similar deliveries in the last 2 years. The certificates should be signed or confirmed in writing by the Contracting Authority for the different deliveries, and as a minimum shall include:

— Brief description of the contract.

— Date of execution.

If it is not possible to acquire signed or verified attestations, the service provider shall provide a description of relevant contracts with descriptions according to the above points.

The Contracting Authority must have the possibility to contact the contact persons who are listed.

— Scope of delivery in monetary amount.

— Name, and telephone number for the reference person at the contracting authority.
