Title: ATU Lot 13 Multi Disciplinary Research

Description: Atlantic Technological University (ATU) (the “Contracting Authority”) invites responses to this Supplementary Request for Tenders (SRFT) from firms admitted to its Dynamic Purchasing System under Lot 13 Multi-Disciplinary - Research - DPS for Provision of Library Data Bases and Online Resources. This mini competition relates to: Multi-Disciplinary Research: access to a comprehensive online resource designed to meet the diverse research needs of students, researchers, and staff across multiple disciplines. This solution must offer seamless online access to an extensive collection of academic and research materials, covering multiple disciplines within Science, Social Science, Humanities, Health Science, Physical Sciences, Technology and innovation. The platform must deliver a diverse range of content types, from peer-reviewed journals to the latest conference proceedings, catering to users at all levels, from undergraduate students to researchers and faculty members. The successful solution must enhance the Universities research capabilities, interdisciplinary collaboration, and provide insights into global research trends and impact. The Authentication must be by single sign on and have regular content updates. The Solution must integrate seamlessly with ATU’s Research Information Management System (RIM’s PURE). Please refer to the attached documentation for further information.
