Review organisation: Veteran Affairs Canada

Information about review deadlines: Procedures for review may be lodged before the competent administrative court. A pre#contractual interim relief procedure (référé précontractuel) may be introduced before the conclusion of the contract. In accordance with French law, this action must generally be introduced within a period of 10 days from the electronic notification of the rejection decision to the candidates or tenderers. A contractual interim relief procedure (référé contractuel) may be introduced after the conclusion of the contract under the conditions set out in the French Code of Administrative Justice. An action for annulment may also be brought within two months from the publication or notification of the contested decision.
