5.1.9. Selection criteria

Sources of selection criteria: European Single Procurement Document (ESPD), Procurement Document, Notice

Criterion: Enrolment in a trade register

Description of selection criterion: Requirement 2 - Registered in a trade register or company register. Tenderers shall be registered in a company register or a trade register in the country where the tenderer is established. Norwegian companies: Company Registration Certificate
Foreign companies: Documentation that the company is registered in a trade or business register as prescribed by the law of the country where the company is established.

Criterion: Other economic or financial requirements

Description of selection criterion: Requirement 3 - Finances The tenderer is required to be financially solvent, which gives the contracting authority the security that the tenderer will be financially viable throughout the period of the agreement. Documentation requirement: A complete credit assessment/report, not older than three months, from a publicly certified credit rating company, with score A (credit worthy) or an equivalent or better rating. The report shall be based on the last known accounting figures. The date must be clearly stated. Companies without a satisfactory credit rating, recently established companies with credit rating AN, some foreign companies or companies without reporting obligation to the Brønnøysund Register Centre will not always be able to document that the requirement is fulfilled. In such cases, they will be able to compensate with a satisfactory credit rating which provides an equivalent security for implementation ability. Such alternative documentation shall be included with the tender. If the tenderer has valid reasons for not submitting the documentation requested by the contracting authority, the tenderer can prove his economic and financial position with any other document that the Contracting Authority deems suitable. The contracting authority reserves the right to obtain updated credit assessments from a publicly certified credit rating company.

Criterion: Certificates by independent bodies about quality assurance standards

Description of selection criterion: Requirement 5 - Quality Management System A good and well-functioning quality management system is required for the requested services. The concept of a quality management system is that i.a. the tenderer has a awareness of quality objectives, planning, securing, handling of deviations, quality improvement and data security. Documentation requirement: An account of the tenderer's quality management system, or a copy of a quality management certificate in accordance with ISO 9001:2015 or an equivalent certificate.

Criterion: References on specified deliveries

Description of selection criterion: Requirement 4 - Experience Experience from similar assignments is required. Similar assignments mean reviews that are relevant in accordance with the requirement specifications. Documentation requirement: List of the three most important deliveries or services performed during the past 5 years, including information about the value, time, and the name of the public or private recipient with contact information.
