Country: France

2.1.4. General information

Additional information: La réponse pourra être présentée, soit par un Assureur directement ou par le biais d'un intermédiaire. Chaque lot sera attribué à un prestataire unique ou à un groupement d'opérateurs économiques. En application des articles R. 2142-19 à R. 2142-24 du code de la commande publique et au vu des conditions spécifiques requises en matière de marché d'assurance, les opérateurs économiques groupés devront, au stade de l'attribution, adopter la forme juridique d'un groupement conjoint avec mandataire. En cas de coassurance, elle devra être formée dès la remise des offres (une offre ne couvrant pas 100% du risque sera considérée irrégulière). L'offre devra présenter le mandataire (apériteur) et les engagements respectifs pris par l'apériteur et les autres assureurs membres du groupement (participations dans l'assurance du risque). Chaque co-Assureur devra fournir les pièces prévues à l'article 5 du présent règlement. Une compagnie d'assurances ne pourra présenter simultanément une offre seule et par le biais d'un ou plusieurs intermédiaires (agents, courtiers). Deux intermédiaires ne pourront présenter une offre émanant d'une même compagnie. Le dossier de consultation comporte une solution de base. L'entreprise devra impérativement remettre une offre correspondant à la solution de base : à défaut, l'offre sera considérée comme irrégulière. Les lots 2 et 3 prévoient des prestations supplémentaires éventuelles. Une offre limitée à la prestation supplémentaire éventuelle ne comportant pas d'offre de base sera rejetée comme irrégulière. Inversement une offre limitée à l'offre de base sera rejetée comme incomplète. L'entreprise a l'obligation de remettre une proposition technique et financière pour ces prestations supplémentaires éventuelles dans les différents lots concernés.

Legal basis:

Directive 2014/24/EU
