The procurement is related to a project and/or programme financed by European Union funds:  
no

### **II.2.14. Additional information**

## **Section IV: Procedure**

---

### **IV.1. Description**

#### **IV.1.1. Type of procedure**

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
  - protection of exclusive rights, including intellectual property rights

Explanation:

The Council has the right to use the Idox Software licences in perpetuity under a previous procurement exercise. The Council has been using that software/modules since September 2009 following a competitive tender under a framework agreement in place at the time. Following review, the Council wishes to continue to use this software has it has concluded that it does not have the finances available to invest in a completely new software solution that has significant strategic use across the organisation. The Council therefore need to ensure that the current software is supported and maintained to allow for efficient use of the software and develop modern working practices. Idox Software Limited own the intellectual property for the

licences used by the Council and they are the only provider who can support and maintain those licences.
