**II.1.4. Short description**

The contracting authority would like to enter into a framework agreement for the procurement of baobabs (not paper bags) for food waste. The contracting authorities' consumption is estimated to 3,600,000 bags a year. The estimate is not binding for the contracting authority, and the amount can be less or greater in relation to withdrawals from stocks.

The contracting authority has a contract with most food shops in the contracting authority's collection area (Salten), where households can buy baobabs for their daily use. The framework agreement will have a duration of 1 year with an option for 1+1+1 year. The contracting authority will have up to 3 sub-deliveries in the first year of the contract, with approx. 37,000 rolls per delivery. The same delivery routines will apply for the options. The estimated deliveries and the number of rolls are not binding for the contracting authority, and they can decrease and increase according in accordance with withdrawals from stocks in the contract period. Deliveries are to be made to the contracting authority's stock, which is Notabene Engros AS, Narvik Municipality.
