II.1.4. Short description

The objective of the procurement is to enter into Framework Agreements for plumbing services and accompanying HVAC and sanitation materials. The tenderer shall provide materials for all assignments that are to be carried out by the tenderer, unless the Contracting Authority requires otherwise. The Framework Agreement must meet the municipality's need for plumbing service, and water and sewage and HVAC materials for ongoing operation and maintenance work in the contract period.

The contract value is estimated to: 500 000 NOK excluding VAT, per annum. The value is an estimate based on statistics and accounting figures for the procurement of equivalent services for the same buyer group for previous years, as well as future budgets. The value must therefore be considered an estimate and is not binding.

See part 2, requirement specifications, for further information.
