General public services

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Snow clearing on municipal roads and properties in Jevnaker Municipality

Reference number: 2021/1407

II.1.2. Main CPV code

90620000 Snow-clearing services

II.1.3.

Type of contract

Services

II.1.4. Short description

Jevnaker Municipality invites tenderers to a tender contest for snow clearing on municipal roads and properties.

The framework agreement will be valid for two years with an option to extend for one year at a time, until a maximum duration of four years.

The snow clearing is split into 8 areas/sub-contracts. Tenders can be submitted for one or several areas.

How to submit a tender

Tenderers must submit one tender for each area. It is not possible to submit a tender for several areas at the same time, as each area is set up as a separate sub-contract.

Questions concerning the tender competition

All questions about the contest are to be sent via Merccell.

The questions will be made anonymous and the answers will be continually sent to all tenderers who have shown an interest in the contest.

Evaluation:

The tenders will be evaluated on a fixed price for five snow clearing sessions per season, plus a price for three additional snow clearing sessions per season.

See the attached tender documentation for further information.

II.1.5. Estimated total value

Value excluding VAT: 7 500 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: yes

Tenders may be submitted for all lots

II.2. Description

II.2.1. Title

Area 1 - the west side

Lot No: 1

II.2.2. Additional CPV code(s)

90620000 Snow-clearing services

II.2.3. Place of performance

NUTS code: NO020 Innlandet

Main site or place of performance: Jevnaker, Norway.

II.2.4. Description of the procurement

Jevnaker Municipality invites tenderers to a tender contest for snow clearing on municipal roads and properties.

The framework agreement will be valid for two years with an option to extend for one year at a time, until a maximum duration of four years.

The snow clearing is split into 8 areas (sub-contracts), and tenders may be submitted for one or several areas.

This sub-contract is for area 1 - the west side. See the attached map.

Prices

A fixed price is to be given for 5 snow clearing sessions per winter season. In addition, a unit price is to be given that applies from the 6th trip.

The prices must be given separately in Merzell for municipal roads and foot and cycle paths, and for municipal properties.

Hourly rates are only to be given in the attached tender letter, see the tender documentation chapter 3.3 -Tender

Evaluation:

The evaluation will be based on an 'average season' where there is a need for 5 snow clearing sessions + 3 extra snow clearing sessions. The total cost of snow clearing over four years will form the basis for a price comparison between the tenderers.

Contract signing

The contract will be signed as soon as possible after the contest has been held.

Rejection of tenders

The contracting authority reserves the right to accept any tender, or to reject all the tenders.

Tenders with shortcomings can be rejected.

II.2.5. Award criteria

Criteria below

Price

II.2.6. Estimated value

Value excluding VAT: 900 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Option for two years, with the option being signed for one year at a time.
