- Additional deliveries by the original supplier ordered under the strict conditions stated in the directive

Explanation:

The Agency is undergoing a complete overhaul of its premises at Kongens Nytorv 6, which it expects to complete by 2024, in order to provide a modern working environment better suited to the Agency's mandate and objectives as specified in the recently adopted EEA-Eionet Strategy 2021-2030.

While the refurbishment project is progressing well according to plan, with the delivery of an activity-based working space on the ground floor in June 2022, and the ongoing preparation of a similar partial refurbishment for the 4th floor to be completed by September 2022, it becomes necessary to increase the budget ceiling of the framework contract for additional

deliveries in other parts of the building, in particular the 2nd, 3rd and the remaining of the 4th floors. It is proposed to allow such an increase pursuant to the provisions under Point 11.1 (f) (i) of Annex I to the Financial Regulation.

It should be noted that the Agency indicated, under Section 1.6 of the tender specifications annexed to framework service contract EEA/ADS/20/004, its intention to exercise the option of conducting a negotiated procedure without prior publication of a contract notice for additional deliveries/services with the future contractor in accordance with the above-mentioned provisions.
