II.1.4. Short description

Email the listed contact to be given a log-in to the eSourcing platform where tender documents are held.

Peel ports is tendering for a supplier or multiple suppliers to provide manned and mobile guarding services across our UK Ports. The tender is split into 4 lots, covering: — Medway Ports,

— Clydeport,

— Great Yarmouth and

— Mersey (which encompasses the Port of Liverpool, Manchester Ship Canal, Liverpool 2, and Heysham Port). The detailed service requirements vary to some degree by location, but all require a supplier who is able to manage and motivate a workforce in a complex operational setting, provide excellent customer service, and deliver a secure and professional guarding service across the port estate. In addition, Mersey covers control of a CCTV operational control room. All ports also have areas that operate under ISPS code requirements, which mean effective (and auditable) searches and access control form an integral part of the requirement.

Precise information on deadline(s) for review procedures:

Peel ports will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into

The Utilities Contracts Regulations 2016 (SI 2016 No. 274) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland) within 30 days of knowledge or constructive knowledge of breach.
