The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Award of a contract without prior publication of a call for competition in the Official Journal of the European Union in the cases listed below

- Extreme urgency brought about by events unforeseeable for the contracting authority and in accordance with the strict conditions stated in the directive

Explanation:

An urgent procedure has been implemented under Article 164.1.d of the Financial Regulation, point 11.1.c of Annex 1 of this FR.

The launch of a negotiated procedure is justified for the following reasons:

- the current coronavirus pandemic (COVID-19) can be considered an 'unforeseeable event', as the health measures which have been implemented globally are completely atypical for normal economic and social life;
- it is evident that the current coronavirus pandemic (COVID-19) is not attributable to the contracting authority; and
- the urgent situation explained above does not allow us to follow an 'ordinary' procedure, or to comply with the temporary limits established for other procedures.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a prior information notice
