Direct award

Other justification: According to FR 2024, annex I (previous 39.1) 40.1. Contracting authorities may use the negotiated procedure with a single tender in the following cases: (b) where the tender procedure has been unsuccessful, that is to say, where no qualitatively and/or financially worthwhile tender has been received, in which case, after cancelling the tender procedure, the contracting authority may negotiate with one or more tenderers of its choice, from among those that took part in the invitation to tender, provided that the procurement documents are not substantially altered; The procedure that is being launched is a follow up negotiation procedure after an unsuccessful open tender procedure for Lot 3 EC-ENEST/BEG /2025/EA-OP/0065 - (DM) PC-26717, where for Lot the only the only technically acceptable tender exceeded the financial resources available. Consequently, the CA decided to launch a follow up negotiated procedure with the only technically acceptable tenderer for this LOT.
