Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

Parent or bank guarantee may be required.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

Payment will follow delivery and acceptance of goods.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

If a group of economic operators submits a bid, the group must nominate a lead organisation to deal with the Authority. The Authority shall require the group to form a legal entity before entering into the contract.

III.1.4. Other particular conditions to which the performance of the contract is subject, in particular with regard to security of supply and security of information

The Authority reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by a security aspects letter, the Authority reserves the right to amend the terms of the security aspects letter to reflect any changes in national law or government policy whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies or otherwise.

III.1.5. Information about security clearance

III.2. Conditions for participation

III.2.1. Personal situation

Criteria regarding the personal situation of economic operators (that may lead to their exclusion) including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: The Authority will apply all the offences listed in Article 39(1) of Directive 2009/81/EC (implemented as Regulation 23(1) of the Defence and Security Public Contract Regulations (DSPCR) 2011 in the UK) and all of the professional misconducts listed at Article 39(2) of Directive 2009/81/EC (see also Regulation 23(2) in the DSPCR 2011) to the decision of whether a Candidate is eligible to be invited to tender.

A full list of the Regulation 23(1) and 23(2) criteria are at <http://www.contracts.mod.uk/delta/project/reasonsForExclusion.html#dspr>

Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process.

Candidates who have been convicted of any of the offences under Article 39(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest (including defence and security factors) for doing so.

Candidates who are guilty of any of the offences, circumstances or misconduct under Article 39 (2) may be excluded from being selected to bid at the discretion of the Authority.

III.2.2. Economic and financial ability

III.2.3. Technical and/or professional capacity

Criteria regarding the technical and/or professional ability of economic operators (that may lead to their exclusion)

List and brief description of conditions:

(d) a statement of the technicians or technical services available to the economic operator to:

(i) carry out the work under the contract; or

(ii) be involved in the production of goods or the provision of services under the contract, particularly those responsible for quality control, whether or not they are independent of the economic operator;

(e) a statement of the economic operator's:

(i) technical facilities;

(ii) measures for ensuring quality;

(iii) study and research facilities; and

(iv) internal rules regarding intellectual property;

(f) a check carried out by the Contracting Authority or on its behalf by a competent official body of the member State in which the economic operator is established:

(i) on the technical capacity of the economic operator; and

(ii) if relevant, on the economic operator's study and research facilities and quality control

measures;

- (i) a statement of the services provider's or contractor's average annual number of staff and managerial staff over the previous 3 years;
- (j) a description of the tools, material, technical equipment, staff numbers, know-how and sources of supply (with an indication of their geographical location when it is outside the territory of the EU) available to the economic operator to perform the contract, cope with any additional needs required by the Contracting Authority as a result of a crisis or carry out the maintenance, modernisation or adaptation of the goods covered by the contract;
- (l) certification by official quality control institutes or agencies of recognised competence, attesting that the goods to be purchased or hired under the contract conform to standards and technical specifications (within the meaning of regulation 12(1)) identified by the Contracting Authority;
- (n) a certificate:
 - (i) attesting conformity to quality management systems standards based on the relevant European standard; and
 - (ii) from an independent accredited body established in any member State conforming to the European standards concerning accreditation and certification.

Bidders should complete the accompanying PQQ. Given the specific technical skills and knowledge required to fulfil this requirement, questionnaires that receive a total score of below 50 % for Form 2 Part F will not be invited to tender.

Minimum level(s) of standards possibly required

To score 50 % or above on Form 2 Part F of the PQQ.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Restricted

IV.1.2. Information about the limits on the number of candidates to be invited

Envisaged minimum number 3 and Maximum number 5

Objective criteria for choosing the limited number of candidates: Suppliers must read through this set of instructions and follow the process to respond to this opportunity.

The information and/or documents for this opportunity are available on www.contracts.mod.uk. You must register on this site to respond, if you are already registered you will not need to register again, simply use your existing username and password. Note there is a password reminder link on the homepage.

Suppliers must log in, go to the Response Manager and add the following Access Code: 9W33KU2J76. Ensure you follow any instruction provided to you here.

The deadline for submitting your response(s) is 23.11.2018 23:55. Ensure that you allow

yourself plenty of time when responding to this invite prior to the closing date and time, especially if you have been asked to upload documents.

If you experience any difficulties, refer to the online Frequently Asked Questions (FAQs) or the User Guides, or contact the MOD DCO Helpdesk by emailing support@contracts.mod.uk or call 0800 282 324.

Interested suppliers are required to complete the Dynamic Pre-qualification Questionnaire (DPQQ) to provide the Authority with information to evaluate the Supplier's capacity and capability against the selection criteria.

The Authority will use the DPQQ response to create a shortlist of tenderers who:

- (1) are eligible to participate;
- (2) fulfill any minimum economic, financial, professional and technical standards; and
- (3) best meet, in terms of capability and capacity, the selection criteria set out in this notice and the DPQQ.

Further details of the method for choosing the tenderers is set out in the DPQQ.

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents
