Precise information on deadline(s) for review procedures:

A tenderer that suffers loss as a result of a breach of duty under the Public Contracts (Scotland) Regulations 2015 may bring proceedings in the Sheriff Court or the Court of Session. The City of Edinburgh Council (the Council) will have a minimum standstill period of 10 days before awarding the contract. The communication of the award decision notice will be sent by fax or email to all tenderers with the standstill period commencing on the next day. If proceedings are started in the Sheriff Court or the Court of Session against the Council in respect of the decision to award the contract within the standstill period then the Council is prevented from awarding the contract.
