Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Norwegian tenderers shall present a 'TAX and VAT certificate'. The tax certificate can be ordered from Altinn, and it must not be older than 6 months calculated from the deadline for submitting a request for participation in the competition or a tender.

Tenderers must be registered in a company register, professional register or a trade register in the country where the tenderer is established.

Documentation requirement:

- Norwegian tenderers: Company registration certificate
- Foreign tenderers: Verification that the tenderer is registered in a company register, trade register or a commerce register in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to fulfil the contract.

Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Documentation requirement:

- A credit rating based on the most recent financial figures. The rating must be carried out by a credit rating agency with a licence to provide such service.

If deemed necessary, the contracting authority will obtain a credit assessment, from a credit information agency with a license to provide such services. This will be a supplement to the documentation given in the tender.

If a tenderer has valid reasons for not being able to provide the documentation requested by the contracting authority, the tenderer can document his economic and financial capacity by presenting other documents considered suitable by the contracting authority.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments.

Documentation requirement:

Description of up to three of the tenderer's most relevant/comparable assignments in the last three years. Completed Annex C List of references

It is the tenderer's responsibility to document relevance through the description. Tenderers can document experience by referring to the competence of personnel at disposal for this assignment, including experience that has been acquired while personnel performed services for another supplier.

The tenderer must present a declaration of commitment for any businesses on which the tenderer relies, cf. "Contest Provisions", and must be attached.

Minimum level(s) of standards possibly required:

The tenderer shall ensure that it and/or its subcontractors are not covered by the Regulation on Restrictive Measures concerning actions that undermine or threaten the territorial integrity, sovereignty, independence and stability of Ukraine of 15 August 2014 No. 1076 § 8n first paragraph.

Completed Annex B "Self-declaration on Russian involvement in public procurements" must be attached.

Tenderers must have a good and well-functioning quality assurance and management system for the provided services

Documentation requirement:

Tenderers must submit documentation of the quality assurance system and management system. The following documentation will be accepted:

Certificate of the company's quality system/management system, issued by independent bodies that confirm that the tenderer fulfils quality assurance standards in accordance with ISO 9001 or equivalent,

or

A description that, as a minimum, covers the company's procedures/routines for:

- Dealing with deviations and claims
- Approval of sub-suppliers
- The process from the receipt and registration of orders until delivery at the customer.
