II.1.4. Short description

Trinity College Dublin, the University of Dublin invites suitably qualified Consultant Teams to pre-qualify for the Quantity Surveying and Project Management Services (including other services) for the Old Library Redevelopment Project (OLRP). The project is located at the University's city centre campus. The contracting Authority intends to invite 5 candidates to tender, please note that the contracting authority reserves the right to invite at least 5, subject to the number qualifying. Like many great cultural and historic buildings across the world, the Old Library is undertaking a comprehensive programme to protect both the building and the precious collections it houses. It is also taking this opportunity to make its collections and its facilities more accessible to international scholars and visitors. The stewardship of the building and collections requires creative re-imagination of the spatial configuration, circulation, and interior environment. This must happen in concert with the protection—and in some cases the restoration—of its historic fabric and essential services. The pre-qualification quantitative and qualitative short-listing criteria are wholly described within the tender document set. i.e. SAQ and Project Information Memorandum, separately attached. Responses must be submitted via the electronic postbox available on www.etenders.gov.ie by the response deadline. Only responses submitted to the electronic postbox will be accepted. Responses submitted by any other means (including but not limited to by email, fax, post or hand delivery) will NOT be accepted. Responses submitted late will NOT be accepted.
