English Heritage cares for over 400 historic monuments, buildings and places — from world-famous prehistoric sites to grand medieval castles, from Roman forts on the edges of an empire to a Cold War bunker. The historic places in our care span six millennia and include palaces, houses, hill figures, castles, abbeys, industrial sites, Roman forts and even deserted medieval villages. Caring for these places is the cornerstone of everything we do. The generous support of our many visitors, members and donors enables us to do this.
