#### **II.1.4. Short description**

The purpose of the tender is to create the necessary high quality stereo aerial photos in digital form, without blurring effects and with a contrast and brightness sufficient to distinguish details and objects corresponding to actual ground sample distance (GSD) of 15 cm and optional 10 cm in certain parts. The aerial photos must be acquired during springtime in a very short timeframe from March to May. The results of the production based on this tender will become input for both ortho photo and vector-map production. The contract is 2 years with possible for prolongation for up to an additional 3 years. To ensure the entire country is acquired with digital aerial photos, the contract will be split into 5 more or less identical lots based on how long time it will take to acquire with a standard Plane and large scale camera, in this tender called acquisition unit (AU).

#### **VI.4.3. Review procedure**

Precise information on deadline(s) for review procedures:

Pursuant to the Danish Act on the Complaints Board for Public Procurement, etc. (lov om Klagenævnet for Udbud m.v.) (the Act is available (in Danish) at [www.retsinformation.dk](http://www.retsinformation.dk)), the following deadlines apply to the lodging of complaints:

Complaints for not having been selected must be submitted to the Danish Complaints Board for Public Procurement before the expiry of 20 calendar days, see Section 7(1) of the Act, from the day after submission of notification to the candidates concerned of the identity of the successful tenderer where the notification is accompanied by an explanation of the grounds for the decision in accordance with Section 2(1)(i) of the Act and Section 171(2) of the Danish Public Procurement Act.

In other situations, complaints of award procedures, see Section 7(2) of the Act, must be lodged with the Danish Complaints Board for Public Procurement before the expiry of:

- 1) 45 calendar days after the contracting authority has published a notice in the Official Journal of the European Union that the contracting authority has entered into a contract. The deadline is calculated from the day after the day when the notice was published;
- 2) 30 calendar days calculated from the day after the day when the contracting authority has notified the candidates concerned that a contract based on a framework agreement with reopening of competition or a dynamic purchasing system has been entered into where the notification has included an explanation of the relevant grounds for the decision;
- 3) 6 months after the contracting authority entered into a framework agreement calculated from the day after the day when the contracting authority notified the candidates and tenderers concerned, see Section 2(2) of the Act and Section 171(4) of the Danish Public Procurement Act;
- 4) 20 calendar days calculated from the day after the contracting authority has submitted notification of its decision, see section 185(2) of the Danish Public Procurement Act.

Not later than at the time of lodging a complaint with the Danish Complaints Board for Public Procurement, the complainant must notify the contracting authority in writing that a complaint has been lodged with the Danish Complaints Board for Public Procurement and whether the appeal was lodged during the standstill period, see Section 6(4) of the Act. In cases where the complaint was not lodged during the standstill period, the complainant must furthermore indicate whether a suspensory effect of the complaint has been requested, see clause 12(1) of the Act.

The e-mail address of the Complaints Board for Public Procurement is set out in Section VI.4.1).

The Complaints Board's own complaints procedure is available at [www.erhvervsstyrelsen.dk](http://www.erhvervsstyrelsen.dk)
