Options:

Description of the options: Option 1 - Landfill at Drivenes Vennesla municipality has applied to the Government Manager for the establishment of a landfill site at Drivenes. If a licence is available before the contract is initiated, the contracting authority can, at its sole discretion, provide the landfill as a reception place for surplus masses. The use of the landfill shall be priced as an option and it will be clarified if relevant. Emphasis is put on the fact that it is considered highly unlikely that the contracting authority will utilise the option. Option 2 - OPI channels for BULK An option price shall be given for the establishment of OPI channels for BULK in road 60020, see the ditch section GS07, drawing RIE-E-40-01. Option 3 - Re-vegetation on property 24/36 A price shall be given for the revegetation of property 24/36, from profile 1425 to 1850, veg 60010. The contracting authority draws attention to the fact that at the current time there is a high probability that the option will apply. Option 4 - Expansion of the trench cross section. An option price shall be given for the expansion of the trench cross section for any district heating along roads 60010 and 60011. At the present time it is highly unlikely that the contracting authority will use the option.

5.1.9. Selection criteria

Sources of selection criteria: Procurement Document, Notice

Criterion: Other economic or financial requirements

Description of selection criterion: Tenderers must have sufficient economic and financial capacity to fulfil the contract. The company's annual average turnover over the last three years is required to be equal to or exceed NOK 100 million. When assessing, the contracting authority will emphasise whether the documentation in total shows that the tenderer has the economic capacity and financial solidity to fulfil the contract.

Criterion: Enrolment in a trade register

Description of selection criterion: Tenderers shall be legally established and registered in a company register, professional register or trade register in the country where the tenderer is established.

Criterion: Relevant educational and professional qualifications

Description of selection criterion: Central certification, or documented competence as stated in SAK chapter 11, or equivalent enterprise classification 3. Necessary certificates such as ADK-1, certificates for PE-pipe welding and certified for welding pipe systems in water and sewage stations.

Criterion: References on specified works

Description of selection criterion: Relevant experience from similar projects with a comparable nature and complexity.

Criterion: Measures for ensuring quality

Description of selection criterion: A quality assurance/management system that is sufficient to fulfil the contract.

Criterion: Environmental management measures

Description of selection criterion: Environmental management system An environmental management system that is sufficient to fulfil the contract.

5.1.10. Award criteria

Criterion:

Type: Price

Name: Price

Description: Documentation: Completed quantity description with unit prices. The attached price form (annex 05) shall be completed completely. The price form, corrected for any calculation errors, is evaluated on the basis of the stated hourly price multiplied by the estimated number of hours per trade category in accordance with the price form (annex 05). The mark-up percentage will be evaluated on the basis of the stated mark-up percentage multiplied by the estimated costs in accordance with the price form (annex 05). The contracting authority's assessment of the price effect of any reservations and deviations that do not lead to rejection will be based on the alternative that has the greatest financial consequence for the contracting authority. Emphasis is put on the fact that the estimated number of hours and costs is only to be understood as amounts of evaluation in order to compare the different tenders. In the evaluation of the price, the lowest tender price will get 10 points and twice the lowest tender price will get zero points. Other tender prices will be scaled linearly.
