Ireland – Scaffolding work – National Framework Agreement Scaffolding

OJ S 133/2026 14/07/2026

Contract modification notice

Works

1. Buyer

1.1. Buyer

Official name: Electricity Supply Board (ESB)

Email: geraldine.carmody@esb.ie

2. Procedure

2.1. Procedure

Title: National Framework Agreement Scaffolding

Description: The Contracting Entity intends to procure a Framework Agreement for the provision of scaffolding services to ESB Generating Stations. The Framework will be divided into 4 regional Lots. ESB intend to enter into a multi-party framework agreement for each Lot. One company may submit a proposal for one or more of the Lots. It is proposed that the Contract will include (but not be limited to) all requirements for scaffolding work in ESB Generating Stations on the island of Ireland, from small requirements to major overhauls. The scaffolding requirement will vary from location to location and with the nature of the specific task. This is a high level description of the services required.

Procedure identifier: f59851a5-2c18-4901-bc71-67974b07b581

Internal identifier: GWM13354

2.1.1. Purpose

Main classification (cpv): 45262100 Scaffolding work

2.1.4. General information

Additional information: 1) It is our intention to use the Irish Government Procurement portal (www.etenders.gov.ie) for this competition. Access to this Portal is free of charge. Interested parties must formally register their expression of interest for this competition on eTenders before they can gain access to the PQQ documentation. All information relating to and including the pre-qualification documents, any clarifications and changes will be issued /published via this portal. The contracting entity will not accept responsibility for information relayed (or not relayed) via third parties 2) This is the sole call for competition for this service. 3) The contracting entity will not be responsible for any costs, charges or expenses incurred by candidates or tenderers. 4) Contract award will be subject to the approval of the competent authorities. 5) It will be a condition of award that candidates are tax compliant. 6) If for any reason it is not possible to admit to the framework agreement one or more of the tenderers invited following the conclusion of this competitive process, or having awarded a contract under the framework agreement, the contracting entity reserves the right to invite the next highest scoring tenderer to join the framework agreement and/or deliver the contract as appropriate to the circumstances pertaining to the framework. 7) At its absolute discretion, the contracting entity may elect to terminate this procurement process, the framework agreement or any contract awarded under the framework agreement at any time. 8) Please note in relation to all documents, that where reference is made to a particular standard, make, source,

process, trademark, type or patent, that this is not to be regarded as a de facto requirement. In all such cases it should be understood that such indications are to be treated strictly and solely for reference purposes only, to which the words "or equivalent" will always be appended. 9) Without prejudice to the principle of equal treatment, the contracting entity is not obliged to engage in a clarification process in respect of questionnaires with missing or incomplete information. Therefore, candidates are advised to ensure that they return fully completed questionnaires in order to avoid the risk of elimination from the competition. 10) At Section II. 2.9 we have indicated that 3 to be reviewed on a case-by-case basis will be invited to tender, please note that the contracting entity reserves the right to invite at least 3 to be reviewed on a case-by-case basis subject to that number qualifying.

Legal basis:

Directive 2014/25/EU

5. Lot

5.1. Lot: LOT-0001

Title: North Region

Description: The Contracting Entity intends to procure a Framework Agreement for the provision of scaffolding services to ESB Generating Stations. The Framework will be divided into 4 regional Lots. ESB intend to enter into a multi-party framework agreement for each Lot. One company may submit a proposal for one or more of the Lots. It is proposed that the Contract will include (but not be limited to) all requirements for scaffolding work in ESB Generating Stations on the island of Ireland, from small requirements to major overhauls. The scaffolding requirement will vary from location to location and with the nature of the specific task. This is a high level description of the services required.

5.1.1. Purpose

Main nature of the contract: Works

Main classification (cpv): 45262100 Scaffolding work

Additional classification (cpv): 45262110 Scaffolding dismantling work, 45262120 Scaffolding erection work
