**2. Procedure****2.1. Procedure**

Title: Procurement of footwear (M/77)

Description: The aim of the framework agreement is to cover the contracting authority's need for footwear in accordance with the attached list of articles for the Norwegian Armed Forces. This procurement will be made in accordance with the Act from 17 June 2016 no. 73 on public procurements (the Public Procurement Act - LOA) and the regulations 12 August 2016 no. 974 on public procurements (procurement regulations - FOA). The procurement will be carried out in accordance with the 'open tender contest' procedure in accordance with FOA § 13-1 first section. This procedure gives all interested tenderers the opportunity to submit tender offers. Negotiations are not allowed in this competition. Tenders cannot, therefore, be changed after the tender deadline has expired. See the attached documents for further information on the procurement.

Procedure identifier: 327b278b-9d8b-4c8e-9c38-1ad120a5a8bc

Internal identifier: 2023042026

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The aim of the framework agreement is to cover the Norwegian Defence's need for footwear with maintenance products in accordance with the article list below. The products shall be used by military personnel in the Norwegian Armed Forces, and primarily the area of use is Nordic climate, as a part of military use, training and operations. See the attached documents for further details on the extent of the procurement.

### **2.1.6. Grounds for exclusion**

Analogous situation like bankruptcy under national law: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of

participation in a criminal organisation by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on control of organised crime (EUT L 300 of 11.11.2008, p. 42)

Agreements with other economic operators aimed at distorting competition: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Breaching of obligations in the fields of environmental law: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Child labour and other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Guilty of misrepresentation, withheld information, unable to provide required documents and obtained confidential information of this procedure: Have the tenderer:a) given grossly

incorrect information when notifying the information required to verify that there is no basis for rejection, or of the qualification requirements being met, b) failed to provide such information, c) subject to immediately submitting the supporting documents requested by the Contracting Authority, or d) improperly affecting the Contracting Authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents.

Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons. Will the purely national rejection reasons, as stated in the relevant notice or in the procurement documents, apply?

Conflict of interest due to its participation in the procurement procedure: Are tenderers aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Guilty of grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Early termination, damages or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers made mandatory in accordance with the current national law without the possibility for exceptions.

Payment of taxes: Has the tenderer not fulfilled his tax and duty obligations in the country in which he is established, and in the contracting authority's member state, if this is a different country than what he is established in?

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, af 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

**5.1. Lot: LOT-0000**

Title: Procurement of footwear (M/77)

Description: The aim of the framework agreement is to cover the contracting authority's need for footwear in accordance with the attached list of articles for the Norwegian Armed Forces. This procurement will be made in accordance with the Act from 17 June 2016 no. 73 on public procurements (the Public Procurement Act - LOA) and the regulations 12 August 2016 no. 974 on public procurements (procurement regulations - FOA). The procurement will be carried out in accordance with the 'open tender contest' procedure in accordance with FOA § 13-1 first section. This procedure gives all interested tenderers the opportunity to submit tender offers. Negotiations are not allowed in this competition. Tenders cannot, therefore, be changed after the tender deadline has expired. See the attached documents for further information on the procurement.

Internal identifier: 2023042026

**5.1.1. Purpose**

Main nature of the contract: Supplies

Main classification (cpv): 18000000 Clothing, footwear, luggage articles and accessories

Additional classification (cpv): 18100000

Occupational clothing, special workwear and accessories, 18400000

Special clothing and accessories, 18800000 Footwear, 18810000

Footwear other than sports and protective footwear, 18830000 Protective footwear, 18832000

Special footwear, 19000000 Leather and textile fabrics, plastic and rubber materials, 19100000

Leather

**5.1.2. Place of performance**

Country: Norway

Anywhere in the given country

**5.1.3. Estimated duration**

Duration: 48 Months

**5.1.5. Value**

Estimated value excluding VAT: 315 000 000,00 NOK

Maximum value of the framework agreement: 410 000 000,00 NOK

**5.1.6. General information**

**5.1.9. Selection criteria**

Criterion:

Type: Economic and financial standing

Name: 'Total' annual turnover

Description: The tenderer's ("total") annual turnover for the number of financial years requested in the tender notice or in the procurement documents is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Average annual turnover

Description: The tenderer's average annual turnover for the number of years requested in the notice or in the procurement documents is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: "Specific annual turnover"

Description: Are the tenderer's ("specific") annual turnover within the area that the contract applies to and specified in the notice or in the procurement documents for the number of accounting years requested is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Average set-up

Description: Is the tenderer's average annual turnover within the area requested by the contract and specified in the notice or in the procurement documents for the number of financial years requested:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: The tenderer's establishment date

Description: If the information about the turnover (combined or specific) is not available for the entire requested period, please state the date the company was established, or the tenderers started their business:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Financial key figures

Description: For financial key figures stated in the notice or in the procurement documents, the tenderer declares that the actual value(s) of the requested key figures are as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Liability insurance

Description: The insured amount in the tenderer's liability insurance is the following:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Other economic and financial requirements

Description: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Sufficient economic and financial capacity

Description: QUALIFICATION REQUIREMENT: Tenderers shall have sufficient economic and financial capacity to carry out the assignment, including satisfactory performance degree, degree of liquidity and equity. Tenderers shall have an annual turnover of minimum NOK 30 million for each of the previous 3 years. DOCUMENTATION REQUIREMENT: Tenderers shall enclose a credit rating based on the last known accounting figures. The credit rating must be carried out by a certified credit rating company, and it must not be older than 3 months from the tender deadline. The tenderer shall submit Annual Financial Statements (including notes with the Board's and auditor's reports) from the last 3 years. If the Annual Financial Statements for the last year are not finished before the tender deadline for this contest expires, the last year's preliminary annual accounts should also be attached. Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Other

Name: Certificates issued by independent bodies for quality assurance standards.

Description: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements?

Use of this criterion: Not used

Criterion:

Type: Other

Name: Certificates issued by independent bodies for environmental management standards.

Description: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards?

Use of this criterion: Not used

Criterion:

Type: Other

Name: Environmental management system

Description: QUALIFICATION REQUIREMENT: Tenderers shall have a documented and valid environmental management system with routines and structure that shows how the tenderer safeguards relevant environmental considerations connected to the services that are provided. The system must be connected to executive unit(s), and shall as a minimum contain: • an environmental policy • Overview of the most significant environmental impacts (environmental aspects) from the company. • proof that the company sets environmental requirements for sub-suppliers • A description of the organisation and responsibility distribution of the environmental work. • Description of the company's stand-by for handling stand-by situations at risk for unfavourable environmental impacts. • Description of the resources necessary to establish, implement, maintain and continually improve the management system for the environment. DOCUMENTATION REQUIREMENT: A description of the environmental management

measures that are implemented in the company, which show that the system includes the mentioned points. If the tenderer is certified in accordance with ISO 14001, Miljøfyrtårn, EMAS or equivalent standards, it is sufficient to present a copy of a valid certificate. If other "equivalent standards" are enclosed, the tenderer must account for and show how the requirements for ISO14001:2015/Miljøfyrtårn/EMAS are fulfilled. Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Other

Name: Quality assurance system

Description: QUALIFICATION REQUIREMENT: Tenderers shall have a quality assurance system that shall contain a minimum of: 1) that the Tenderer has procedures to ensure compliance with all laws and regulations, such as the part of the entity that shall work with this contract is covered by. 2) that the tenderer has established a quality assurance system for ethical trade, which shall ensure that the tenderer is suitable to fulfil the contractual obligations for ethical trade, see Annex G Ethical Requirements. The quality assurance system shall as a minimum contain: - Traceability in the supply chain; a description of the important supply chains for this procurement. - Anchoring and implementing ethical requirements in the supplier chain; Ethical guidelines/Code of Conduct and declaration that these apply in supplier chains for products that are delivered over this framework agreement. DOCUMENTATION REQUIREMENT: To substantiate that the requirement is met, both of the sub-requirements must be documented by: 1) A description of the tenderer's quality assurance methods. If a tenderer is certified in accordance with ISO 9001 or equivalent standards, it will be sufficient to submit a copy of a valid certificate to fulfil this sub-point. The certification must have a scope that is relevant for the scope of this contract. 'relevant' means a management system that covers the same products that shall be procured here. 2) Completed by Part 1 Annex 3B - Qualification Requirement ethical trade. Note that documentation as requested in the annex: i) shall also be submitted, a description of the supplier chain for the three selected products and ii) the tenderer's, or other actor's Code of Conduct. See Annex 3B for further information on what shall be attached. If the tenderer does not have a valid ISO 9001:2015 certificate, the tenderer shall enclose an application with a conformity matrix, which shows consistency between the tenderer's quality management system and ISO 9001:2015. The conformity matrix shall have reference to documented information (process descriptions, procedures, instructions etc.) in the tenderer's quality management system, with reference to the document name/number and the requirements in ISO 9001:2015. Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in a trade register

Description: Tenderers are registered in a professional register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in a trade register or company register.

Description: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in a trade register or company register.

Description: QUALIFICATION REQUIREMENT: Tenderers shall be registered in a company register or trade register in the country where the tenderer is established. DOCUMENTATION REQUIREMENT: Norwegian tenderers: -Registration document Foreign tenderers: - Confirmation that the tenderer is registered in a company register or trade register in the country where the tenderer is established.

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: Only for public goods deliveries

Description: Only for public goods deliveries: In the reference period, the tenderer has carried out the following important deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Technical personnel or technical units

Description: Tenderers can use the following technical personnel or technical units , particularly those who are responsible for quality control: For technical personnel or technical units that do not directly belong to the tenderer's business, but if the capacity the tenderer will use, cf. part II, section C, separate ESPD forms shall be supplemented.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Technical facilities and quality assurance measures

Description: The tenderer utilises the following technical facilities and quality assurance measures and the tenderer's survey and research facility is as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Investigation and research facilities

Description: The tenderer's survey and research facilities are as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Management and tracing of the supply chain

Description: The tenderer will be able to use the following management of the supply chain and tracing systems for the execution of the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Control Permission

Description: For goods or services that are complicated, or that in exceptional cases shall be used for a particular purpose: Will the tenderer allow checks of the tenderer's production capacity or technical capacity and, where necessary, of the survey and research facilities that the tenderer has at its disposal and of quality control measures? The inspections shall be undertaken by the contracting authority or the contracting authority can leave it to a competent public body in the country where the tenderer is established.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Education and professional qualifications

Description: The following education and professional qualifications are possessed by the tenderer and/or (depending on the requirements set in the notice or in the procurement documents) of the leading employees:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Environmental management measures

Description: Tenderers can employ the following environmental management measures in connection with the execution of the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Number of employees in the management

Description: The tenderer's number of employees in the management during the last three years was as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Average workforce

Description: The tenderer's average annual workforce in the last three years has been as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Tools, materials and technical equipment.

Description: Tenderers can use the following tools, material and technical equipment to carry out the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Portion of the contract to sub-suppliers.

Description: The tenderer is considering to outsource the following part (as a percentage) of the contract to sub-suppliers. Note that if the tenderer has decided to outsource a part of the contract to sub-suppliers and will use the sub-suppliers' capacity to carry out this part, a special ESPD will be supplemented for such sub-suppliers, see part II, section C, above.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Procurement of goods: Requested samples, descriptions or photographs that do not need to be accompanied by certificates that they are genuine.

Description: Procurement of goods: The tenderer presents supplies that shall be delivered, requested samples, descriptions or photographs, which do not need to be accompanied by certificates that they are genuine.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Procurement of goods: Requested samples, descriptions or photographs with certificates.

Description: When procurement of goods: If requested, the tenderer further declares that they will deliver the requested certificates that they are genuine.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: When procuring goods: Certificates issued by official bodies for quality control

Description: Can tenderers submit the requested certificates issued by official bodies for quality control, and who can confirm that the goods, which are clearly identified by reference to technical specifications or standards, as determined in the notice or in the procurement documents, are in accordance with these?

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Technical key personnel

Description: QUALIFICATION REQUIREMENT: Tenderers shall have technical key personnel with good knowledge of the production of the relevant products, cf. Annex B - Requirement specifications, or similar products. DOCUMENTATION REQUIREMENT: Name and position of central technical personnel. A description of the education, experience and professional

qualifications of the personnel that the tenderer can use for the execution of the delivery. The description shall make up a maximum of one A4 page per person. CVs are not requested here. Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: Good experience from similar deliveries

Description: QUALIFICATION REQUIREMENT: The tenderer shall have good experience from similar deliveries. DOCUMENTATION REQUIREMENT: An overview of the tenderer's three most relevant contracts in the last 3 years shall be filled in in Annex 8 Reference Form. In order to ensure sufficient competition, documentation for references that the tenderer has carried out more than three years ago can be considered. In this competition emphasis will be put on the tenderer being able to refer to references for the production of shoes made of equivalent materials for which a framework agreement shall be established. What constitutes a "similar delivery" will be assessed on the basis of a comparison of the presented references and the products requested in accordance with the requirement specifications in Annex B. It is the tenderer's responsibility to document relevance through the description. The contracting authority reserves the right to contact the tenderer's references. Minimum qualification requirements
