Housing, Care and Support (HCS) is a business unit of One Housing. We manage a housing, care and support portfolio with a forecast turnover of 53 000 000 GBP in 2018/19. We are driven by the values of choice, innovation and quality that make a real difference to people's lives.

All HCS staff must be trained to the highest possible standard in order to deliver the quality of care and support our residents and customers need. As our portfolio expands it is vital that we have the right training offer in place, both for all those new to One Housing Group and for existing staff. We are therefore seeking to appoint providers to a Framework Agreement who will work with us to deliver all aspects of our annual training programme across an expanding geographical area. The requirements are divided up into three lots and it is anticipated that a single supplier will be appointed to each lot.
