45210000 Building construction work

II.1.3. Type of contract

Works

II.1.4. Short description

Iarnród Éireann has now established a multi-party framework agreement for civil engineering & building works associated with the upgrading of the railway infrastructure and other related

works that IE or CIE may undertake on their properties. The extent and details of these works will vary from location to location. Project works shall be awarded in separate packages based on the “Call Off” set out in the framework agreement.

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

45200000 Works for complete or part construction and civil engineering work, 45213300 Buildings associated with transport, 45213320 Construction work for buildings relating to railway transport, 45213321 Railway station construction work, 45220000 Engineering works and construction works, 45221112 Railway bridge construction work, 45221122 Railway viaduct construction work, 45221242 Railway tunnel construction work

II.2.3. Place of performance

NUTS code: IE Éire / Ireland

Main site or place of performance: Works that Iarnród Éireann and CIE may undertake on their properties.

II.2.4. Description of the procurement

Civil engineering and building works associated with the upgrading of the railway infrastructure and any other works which IE or CIE may undertake on their properties. The project works (from €100k up to value of €1M) may include but are not limited to any of the following:

- Any works required to facilitate construction of new platforms and/or extension and upgrading of existing platforms,
- Construction of footbridges and any associated lift installations,
- Any works required to facilitate construction of new car parks and/or extension and upgrading of existing car parks,
- Any works required to facilitate bridge widening, bridge replacement, bridge closures, road realignments, access roads, etc.,
- Alterations to existing railway underbridges or overbridges,
- Embankment/cutting works including widening, strengthening and repair,
- Construction of roads, earthworks, drainage, boundary treatment and minor civil engineering and building works,
- Any works required to facilitate the relocation of services adjacent to the railway,
- Works on listed structures,
- Demolition of existing railway structures,
- Building works,
- Works on listed buildings,
- Removal, relocation of and/or modifications to existing structures and buildings,
- Foundation works, ground engineering and geotechnical processes,
- All associated temporary works to ensure the continued operation of the railway.

There is no undertaking given by Iarnród Éireann that all works outlined above will be tendered under this framework agreement. Iarnród Éireann may at its discretion and where considered appropriate use alternative procurement options for such works.

II.2.5. Award criteria

Quality criterion - Name: Project Execution Plan / Weighting: 10 %

Quality criterion - Name: Programme / Weighting: 10 %

Quality criterion - Name: Project Specific Health & Safety / Weighting: 10 %
