Registered in a trade register or company register.

Tenderers must be registered in a company register or trade register in the member state where the tenderer is established. As described in annex XI of directive 2014/24/EU; tenderers from certain member countries can be required to fulfil other requirements in the mentioned annex.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Other economic and financial requirements

In regards to any other economic and financial requirements stated in the tender notice or in the procurement documents, the tenderer must verify:

Minimum level(s) of standards possibly required:

Requirement: Tenderers must have the economic and financial capacity to carry out the assignment. Tenderers must be creditworthy, Score A. Creditworthiness against a guarantee is not accepted. For recently established tenderers, a certificate showing score A/N is sufficient. Documentation requirement: Credit assessment of the tenderer, not older than 6 months from the deadline for receipt of tenders. The evaluation will be based on the last known fiscal figures with an indication of how the credit rating has developed during the last three years. The evaluation must be issued by a company with a credit information licence from the Norwegian Data Protection Authority. See www.datatilsynet.no. The result of the credit appraisal shall be stated as a categorised score (letter of number) against a defined scale. Recently established tenderers must substantiate the financial capacity for the implementation of the assignment or other documentation, e.g. accounting figures and a bank guarantee.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers have, in the reference period, carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years' experience and can take experience from the period before the last three years into consideration.

Minimum level(s) of standards possibly required:

Documentation requirement: 2 references from equivalently large or larger customers to whom that the tenderer has provided an equivalent service as that requested by the contracting authority.
