Country: Belgium

E-mail: grow-procurement@ec.europa.eu

Internet address(es):

Main address: <https://ec.europa.eu/growth/>

I.3. Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://etendering.ted.europa.eu/cft/cft-display.html?cftId=14025>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: <https://etendering.ted.europa.eu/cft/cft-display.html?cftId=14025>

I.4. Type of the contracting authority

European institution/agency or international organisation

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement**II.1.1. Title**

Framework Contract for Studies and Technical Assistance in the Field of Automotive Emissions

Reference number: GROW/2023/OP/0019

II.1.2. Main CPV code

71621000 Technical analysis or consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

The implementation of Euro 7, as well as the support to the broader issues related to type-approval legislation with respect to air pollutant and noise emissions, require specific expertise and resources. The objective of this multiple framework contract is to ensure the provision of adequate external expertise on emissions and access technical resources, data and services. The specific services to be rendered will consist of conducting studies, performing tests, collecting data, drawing up synthesis reports, providing access to and analysis of publications and emissions data within the domains covered by the framework contract, and to proactively engage in a dialogue with stakeholders. The contractor may be required to perform studies and provide technical assistance in any of the fields liable to be object of a legislative proposal by the Commission in the field of emissions (including pollutants, noise and CO₂) and fuel consumption (covering both light- and heavy-duty vehicles).

II.1.5. Estimated total value

Value excluding VAT: 12 000 000,00 EUR

II.1.6. Information about lots

This contract is divided into lots: yes
Tenders may be submitted for all lots

II.2. Description

II.2.1. Title

Lot 1: Vehicle Emissions Measurement
Lot No: 1

II.2.2. Additional CPV code(s)

71621000 Technical analysis or consultancy services, 73000000 Research and development services and related consultancy services, 90713000 Environmental issues consultancy services

II.2.3. Place of performance

NUTS code: BE100 Arr. de Bruxelles-Capitale/Arr. Brussel-Hoofdstad
Main site or place of performance: Please consult the procurement documents.

II.2.4. Description of the procurement

Framework contract for studies and technical assistance in the field of automotive emissions - lot 1 - Vehicle emissions measurement and modelling
The implementation of Euro 7, as well as the support to the broader issues related to type-approval legislation with respect to air pollutant and noise emissions, require specific expertise and resources. The objective of this multiple framework contract is to ensure the provision of adequate external expertise on emissions and access technical resources, data and services. The specific services to be rendered will consist of conducting studies, performing tests, collecting data, drawing up synthesis reports, providing access to and analysis of publications and emissions data within the domains covered by the framework contract, and to proactively engage in a dialogue with stakeholders. The contractor may be required to perform studies and provide technical assistance in any of the fields liable to be object of a legislative proposal by the Commission in the field of emissions (including pollutants, noise and CO₂) and fuel consumption (covering both light- and heavy-duty vehicles).

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 8 000 000,00 EUR

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 48

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
yes

Identification of the project: Please consult the procurement documents.

II.2.14. Additional information
