#### **II.1.4. Short description**

This is a call to competition by IE to award a contract for the elimination/upgrade of six existing level crossings on the Dublin to Cork Railway Line between Limerick Junction and Mallow Stations.

Planned proposals for the elimination/de-manning of these level crossings include:

- (a) full closure (extinguishment of the public right of way across the level crossing),
- (b) provision of alternative access across the railway line through the construction of an access road and/or overbridge.

A specific design solution for each crossing has been developed and IE now intends to commence a tender process so as to appoint a proven and experienced contractor to undertake these works.

Full details can be found in the attached Pre-Qualification Questionnaire document.
