Stortinget hereby invites suppliers to enter into a dynamic purchasing system for the procurement of furniture and fixtures for the Storting's commuter flats. New suppliers can continuously apply to be qualified for participation in the Dynamic Purchasing System (DPS). Only qualified suppliers will have access to the published competitions.

The Storting needs to procure furniture and fixtures for commuter flats in connection with the rehabilitation of the flats. There is also a need for supplementing and replacing furniture and fixtures. The deliveries are expected to include deliveries and assembly of the furniture and fixtures in the relevant flats. The flats are centrally located in Oslo.

Stortinget owns 143 commuter flats that are available for the members of Parliament. All flats are and must be fully furnished. Most of the flats are renovated. However, approx. ten flats remain, where all furniture and fixtures like tables, chairs, lighting, pegs, shelves, beds, etc. must be procured. When the furnishing for the last flats has been completed, there will essentially only be a need for supplementation/replacement of furniture and fixtures.

Relevant procurements included in DPS shall mostly include the following: tables, chairs, lighting, pegs, shelves, beds, carpets and garden furniture.
