I.4. Type of the contracting authority

Regional or local authority

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

IK-EEA 046-2023 Wireless network: Procurement of controllers, with associated framework agreement for the purchase of access points

Reference number: 2023/205864

II.1.2. Main CPV code

32400000 Networks

II.1.3. Type of contract

Supplies

II.1.4. Short description

Bergen Municipality will procure controllers from Fortinet.

A framework agreement will also be entered into for the purchase of associated access points.

The procurement concerns supplementary purchases for Bergen Municipality's existing system from Fortinet.

II.1.5. Estimated total value

Value excluding VAT: 17 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

32420000 Network equipment, 32422000 Network components, 32424000 Network infrastructure

II.2.3. Place of performance

NUTS code: NO0A2 Vestland

II.2.4. Description of the procurement

Bergen Municipality will purchase 10 Fortigate controllers from Fortinet to replace the existing ones based on FortiWLC. There is also an option for an additional 5 Fortigate controllers and an option for a guest network solution. Associated services are also a part of the procurement. The procurement also includes a framework agreement for the purchase of Fortinet access points for the coming years. This is to ensure easier scaling and operation for the future of Bergen Municipality's existing 6800 APs from Fortinet. The framework agreement will be valid for 2 years, with an option for the contracting authority to extend the contract for up to further 2 years, for a maximum total of 4 years.

A contract will be signed with one tenderer.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 17 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 24

This contract is subject to renewal: yes

Description of renewals:

Up to two years (applies to access points only)

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Options:

5 Fortigate controllers, guest network solution, FortiAuthenticator with licences and a central management solution.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

The framework agreement for access points is estimated at approximately NOK 2.5 million per year (excluding VAT). The total estimated contract value for the framework agreement over 4 years/including options is approx. NOK 10 million (excluding VAT). The maximum contract value for the entire duration of the framework agreement (applies to access points only), including options, is NOK 12 million (excluding VAT).

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Registration in a trade register or a company register: Tenderers must be registered in a company register or a trade register in the country where the tenderer is established. As described in annex XI of directive 2014/24/EU; tenderers from certain member countries can be required to fulfil other requirements in the mentioned annex. Minimum qualification requirement: Tenderers must be a legally established company. Documentation: Tenderers registered in the Norwegian Register of Business Enterprises do not need to enclose documentation. The contracting authority will control the registration by using the organisation number provided in the tenderer's Mercell profile. For tenderers that are not registered in the above-mentioned register, the tenderer must provide certificates or confirmation of registration (equivalent to a company registration certificate) in a trade register or company register as described in the legislation in the country where the tenderer is established. The certificate must not be issued more than 6 months prior to the tender deadline.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

There are no requirements for economic and financial position.

Minimum level(s) of standards possibly required:

There are no requirements for economic and financial position.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers have, in the reference period, carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years' experience and can take experience from the period before the last three years into consideration.

Minimum level(s) of standards possibly required:

Tenderers must have good and relevant experience from deliveries of similar equipment. The experience must be from deliveries of an equivalent complexity and volume to the deliveries requested in this contest. Documentation requirement: Relevant experience is to be documented by stating a minimum of three (3) and a maximum of five (5) reference projects from the last three (3) years. The reference projects are to be entered directly in the Mercell system. Only the first five projects will be assessed if more than five reference projects are listed.
