II.1.4. Short description

The objective of this pilot project is to build strong links between Innovation Radar innovators, European investors, and policy makers, with a view to increasing activity and interactions between these communities. The overall goal is to stimulate greater market and societal uptake of ground-breaking innovations emerging from EU-funded research and innovation programmes (such as Horizon Europe, Digital Europe Programme and LIFE). The pilot project should also, by virtue of such interactions and awareness raising, aim to mobilise more European growth capital (including the raising of new funds) that explicitly target EU-funded innovators.
