III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Norwegian Tenderers must provide an updated company register certificate.

Foreign tenderers must provide authorisation(s) for statutory registration in the country where the company is established.

Authorisations are required from a specific organisation - present the transport licence number.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial solidity to be able to fulfil the contractual obligations.

Minimum level(s) of standards possibly required:

Tenderers must submit extracts from the annual accounts for recent financial years, as well as the auditor's reports.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

1. Experience from similar assignments.
2. Relevant references from the last 3 years.
3. Wages and working conditions.
4. Environmental focus.

Minimum level(s) of standards possibly required:

1. State relevant experience.
2. State relevant references.
3. Documentation of wages and working conditions for employees of suppliers and sub-contractors who will assist in fulfilling the contract. Employees at the tenderer or any sub-suppliers must not have lower wages or worse working conditions than those required by applicable national collective agreements or what is normal for the place or occupation. Cf. the regulations on wages and working conditions in public contracts established by Royal Decree on 6.2.2008, which came into force on 1.3. 2008.
4. Tenderers must describe their environmental focus (environmental management system) that sees to the requirements for a low negative impact on the environment.
