II.2.4. Description of the procurement

Verdal Municipality would like to procure services within business development that will cover the primary need for development support for founders who would like to start companies and businesses with development needs.

The municipality estimates 700 hours as the basis for the assignments, with an estimated distribution between different service areas.

Verdal Municipality has procured services in the last 15-20 years within business development. The municipality has reorganised business work internally in the municipality, and has placed business work under the fields of Trade, Agriculture, and Environment. A decision has been made to establish a position as a business developer with assignments to be the primary contact for businesses.

The aim of the contract is the procurement of services within business development in order to cover the primary need for development support for founders who would like to start companies and businesses with development needs.

The contract is for services listed in the requirements specification and price sheet.
