Description

:

La date limite de remise des offres a été reportée en raison de la réception de plusieurs questions complémentaires de la part de soumissionnaires potentiels peu avant la date limite initialement fixée. Ces questions portaient sur des éléments pertinents pour la préparation et le calcul du prix des offres. Afin de permettre au pouvoir adjudicateur d'y répondre de manière complète et rigoureuse, puis de laisser à l'ensemble des opérateurs économiques intéressés un délai raisonnable pour tenir compte des précisions communiquées, il a été décidé de prolonger le délai de remise des offres. Cette prolongation vise à garantir la transparence de la procédure, l'égalité de traitement entre tous les soumissionnaires potentiels ainsi que la possibilité de remettre une offre complète et soigneusement préparée sur la base de toutes les informations pertinentes.
