Train and Station Cleaning Services
Reference number: 2019/S 068-161002

II.1.2. Main CPV code

90910000 Cleaning services

II.1.3. Type of contract

Services

II.1.4. Short description

The key objective of the LNER Train and Station Cleaning Services contract is to identify a partner who is able to deliver and continue to improve on the high standards, utilising efficiency, flexibility and innovation in line with the needs of our customers and our business. LNER seek to support an innovative and dynamic service partner who provides a customer and facilities centric presentation services solution, whilst optimising performance, achieving robust resource management and efficiency in a continuous improvement and evolving environment. One of the key requirements of this process is the combination of both the fleet and station aspects and LNER are looking for the bidders to utilise resource across both areas

therefore increasing the efficiency of the proposed workforce. This will be a key aspect in LNER selecting a presentation partner to work with going forward.
