Activity of the contracting authority: Economic affairs

2. Procedure

2.1. Procedure

Title: Competition for the procurement of forestry services 2027-2030 Østlandet south and west

Description: This is an invitation to participate in a negotiated procedure for the awarding of a framework agreement to a tenderer, for the procurement of forestry services for area (1) southern and western parts of Eastern Norway. The assignment includes the counties, Akershus, Østfold, Buskerud and parts of Inland. Statskog simultaneously announces competitions for four areas (1) Østlandet south and west, (2) Innlandet mid, (3) Innlandet north and (4) Trøndelag and Nordland. Separate competitions will be held for each of the four areas. In addition it is possible for a tenderer to submit a combined tender offer with combinations of two, three or four of these areas. Any combined tenders are to be given in a separate price form, see the form in this document's chapter IV, annex 3. If a tenderer would like to submit such a combined tender for two, three or four areas, separate tenders must also be submitted for each of the relevant individual areas included in the total tender.

Procedure identifier: b7e2efc3-5412-450d-8e58-c13a719d403f

Internal identifier: 26/247

5.1.9. Selection criteria

Sources of selection criteria: Notice, European Single Procurement Document (ESPD)

Criterion: Enrolment in a trade register

Description of selection criterion: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex. Minimum qualification requirements Tenderers are required to have a legally established company and registered in the company register. Such a satisfactory organisational and legal position shall be documented through the following: Company registration certificate or registration certificates in professional registers as determined by legislation in the countries in which the tenderer is established. The Company Registration Certificate shall not be older than six months from the tender deadline.

Criterion: Other economic or financial requirements

Description of selection criterion: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that: Minimum qualification requirements Tenderers must have sufficient economic and financial capacity. This shall be documented by the following: The company's annual accounts for the last three years, including: • The Board's Annual Report •Income statement •Balance •Notes • auditor's report

Criterion: References on specified services

Description of selection criterion: Only for services: In the reference period, the tenderer has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration. Minimum qualification requirements Tenderers shall provide an overview of the largest and most important assignments carried out in the last three years, including the assignments': •Time •Receiver •Value

Criterion: Measures for ensuring quality

Description of selection criterion: The tenderer utilises the following technical facilities and quality assurance measures and the tenderer's survey and research facility is as follows: Minimum qualification requirements The tenderer is required to be certified in accordance with ISO 9001 by the tender deadline.

Criterion: Relevant educational and professional qualifications

Description of selection criterion: The following education and professional qualifications are possessed by the tenderer and/or (depending on the requirements set in the notice or in the procurement documents) of the leading employees: Minimum qualification requirements Tenderers shall provide information on who will be responsible for the assignment and the competence and experience of those who will carry out the assignment, including sub-suppliers. Tenderers shall document competence within The Norwegian PEFC Forest Standard, through course certificates, certificates or declarations. This applies to all department managers/forestry managers, operations managers, machine operators and supervisors within forest culture. PEFC courses shall be executed in accordance with the revised standard from 01.03.2023.

Criterion: Environmental management measures

Description of selection criterion: Tenderers can employ the following environmental management measures in connection with the execution of the contract: Minimum qualification requirements Tenderers are required to be certified in accordance with ISO 14001 with The Norwegian PEFC Forest Standard as environmental requirements by the tender deadline expiry.

Criterion: Tools, plant, or technical equipment

Description of selection criterion: Tenderers can use the following tools, material and technical equipment to carry out the contract: Minimum qualification requirements Tenderers shall give an overview of the machines, tools and technical equipment that the tenderer can use as documentation that the assignment can be carried out in a satisfactory manner. • Tenderers shall use machines and equipment equipped with "Best Available Technology" (BAT) where relevant based on the risk of pollution and other serious environmental errors, cf. Norwegian PEFC Forest Standard. Information shall be provided in the account. • Tenderers shall have the use of manufacturing machines with modern systems for computer based apting. Information shall be provided in the account.

Criterion: Certificates by independent bodies about quality assurance standards

Description of selection criterion: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements? Minimum qualification requirements

Criterion: Certificates by independent bodies about environmental management systems or standards

Description of selection criterion: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards? Minimum qualification requirements
