35710000 Command, control, communication and computer systems

II.2. Total value of the contract/lot

II.2.1. Total value of the contract/lot

Value: 7 926 248,00 USD

excluding VAT

Section IV: Procedure

IV.1. Type of procedure

Negotiated without publication of a contract notice

Justification for the award of the contract without prior publication of a call for competition in the Official Journal of the European Union

Directive 2009/81/EC

1) Justification for the choice of the negotiated procedure without publication of a call for competition in accordance with Article 28 of Directive 2009/81/EC

All tenders submitted in reply to an open procedure, a restricted procedure or competitive dialogue were irregular or unacceptable. Only those tenderers were included in the negotiations which have satisfied the qualitative selection criteria: no

2) Other justification for the award of the contract without prior publication of a call for competition in the Official Journal of the European Union

The procurement falls outside the scope of application of the directive

FMI vurderer, at anskaffelsen er omfattet af forsvars- og sikkerhedsdirektivets materielle anvendelsesområde. Der er tale om varer, som er specielt udformet og tilpasset militære formål, og varerne skal udelukkende anvendes til montering på skibe, som bruges i militære operationer. Varerne kan ikke anvendes i civile skibe. Dermed vurderes varerne at være "militært materiel", jf. Forsvars- og sikkerhedsdirektivets artikel 2, litra a. FMI vurderer derudover, at anskaffelsen er omfattet af undtagelsesbestemmelsen i forsvarsdirektivets artikel 13, litra f (kontrakter, som en regering tildeler en anden regering vedrørende levering af forsvarsmateriel), idet kontrakten om anskaffelse af reservedele indgås mellem FMI og US Navy (via FMS).

IV.2. Award criteria

IV.2.1. Award criteria

IV.2.2. Information about electronic auction

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority
