National or federal agency/office

I.5. Main activity

Defence

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Framework agreement services, electrical technical low voltage systems in Region West.
Reference number: 2017/3653

II.1.2. Main CPV code

45315100 Electrical engineering installation works

II.1.3. Type of contract

Services

II.1.4. Short description

Framework agreement services, electrical technical low voltage systems in Region West.
— Services in connection with the operation, maintenance and new procurements of electrical systems for the stated areas,
— Electrical materials in connection with executed services on the electrical systems,
— Internal control,
— Thermography.

II.1.5. Estimated total value

Value excluding VAT: 64 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

31214510 Distribution switchboards, 31730000 Electrotechnical equipment, 45317000 Other electrical installation work

II.2.3. Place of performance

NUTS code: NO04 Agder og Rogaland

NUTS code: NO051 Hordaland

NUTS code: NO052 Sogn og Fjordane

Main site or place of performance: Hordaland, Rogaland, Agder and Sogn og Fjordane.

II.2.4. Description of the procurement

Framework agreement services, electrical technical low voltage systems in Region West.
— Services in connection with the operation, maintenance and new procurements of electrical systems for the stated areas,
— Electrical materials in connection with executed services on the electrical systems,
— Internal control,
— Thermography. The Norwegian Defence Estates Agency administers an considerable number of buildings in region West. This includes major values in the form of electrical technical systems.

The Norwegian Defence Estates Agency executes some of the electrical installation works by using own resources. However, major parts of the operations and maintenance of the electrical installations are provided through external companies that are engaged via the operation and maintenance organisation in the Norwegian Defence Estates Agency.

The contract owner of the framework agreement concept will be the Norwegian Defence Estates Agency, the Property and Facility Management. Administration of the contract will be through the procurements department.

All departments included in the Norwegian Defence Estate Agency's organisation can use the agreement within given geographical areas.

The framework agreement can also be used by the entire Norwegian armed forces, i.e. all departments that are included in or under the Royal Ministry of Defence, and which manage and operate their own buildings in the stated geographical areas.

The tenderer shall submit tenders in accordance with the division of tender contest areas. See the tender documentation.

The tender prices shall be based in geographical locations and neighbouring areas. See Point 1.1 in the tender documentation's Part III.

The procurement is divided in and includes 2 competition areas where the tenderer can submit independent tenders. See the tender documents Part I.

II.2.5. Award criteria

Criteria below

Price

II.2.6. Estimated value

Value excluding VAT: 64 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 07/05/2018 End: 07/05/2020

This contract is subject to renewal: yes

Description of renewals:

The agreement will be valid for 2 calendar years after the start of the agreements, with an extension for up to 1 year plus 1 year, for a maximum total of 4 years.

The framework agreements will be initiated by 6.5.2018, at the earliest.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information
