El contrato se articula bajo la modalidad de renting sin opción de compra, lo que permite la renovación de la flota y asegura el mantenimiento I de todos los equipos durante la vigencia del mismo. En cuanto al régimen de mantenimiento, se contemplan dos opciones: 1. La práctica totalidad de los vehículos y maquinaria estarán cubiertos por un mantenimiento integral, que comprende tanto las operaciones preventivas y correctivas como la sustitución de elementos de desgaste y neumáticos. 2. Únicamente la fregadora quedará sujeta a un mantenimiento preventivo y correctivo, lo que implica la realización de las revisiones periódicas establecidas por el fabricante, con inclusión de materiales, mano de obra y desplazamientos, así como la reparación de averías mecánicas, eléctricas o electrónicas en las piezas que lo requieran. No incluye elementos de desgaste. En ambos casos, quedan excluidos del contrato el combustible, la limpieza ordinaria de los equipos, las

revisiones diarias, así como las sanciones y multas derivadas del uso de los vehículos. El adjudicatario deberá garantizar la entrega de todos los vehículos en estado de nuevo, matriculados y con la documentación necesaria para su puesta en funcionamiento, así como la prestación de los servicios de mantenimiento señalados. Asimismo, deberá asegurar la sustitución temporal de los equipos en caso de avería prolongada y cubrir las obligaciones legales y técnicas relativas a ITV, seguros obligatorios y revisiones reglamentarias. Este suministro permitirá al Ayuntamiento de Barbate disponer de una flota moderna, eficiente y adaptada a las necesidades de sus servicios municipales, garantizando la continuidad y calidad en la prestación de los mismos.
