Section VI: Complementary information

VI.3. Additional information

Please note the contract commencement date is 1.4.2017 not the period of work start date of 14.12.2017 stated in the contracts finder publication details (as an inflexibility of the system for dispatch of the publication of the award notice in contracts finder does not permit the period of work start date to be earlier than the dispatch of the publication so, as a workaround, to permit publication in contracts finder, the dispatch date is stated as the period of work start date for that purpose).

VI.4. Procedures for review

VI.4.1. Review body

Official name: Ashford and St Peters Hospitals NHS Foundation Trust

Postal address: London Road

Town: Ashford, Middlesex

Postal code: TW15 3AA

Country: United Kingdom

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

The Authority incorporated a minimum of 10 day standstill period from the day after information on the award of contract was communicated to tenderers. This period was to allow the unsuccessful tenderers to challenge or seek further debriefing from the Contracting Authority before the contract was entered into.

If an appeal regarding the award of a contract has not been successfully resolved, the Public Contracts Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly (generally within 3 months). Where a contract has not been entered into, the contract award proceedings will be immediately suspended.

VI.5. Date of dispatch of this notice
