Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title:

Inspection, Service, and Maintenance of Emergency Lighting and Fire Alarm Installations
Reference number: ANSK-0078-19

II.1.2) Main CPV code

50711000 Repair and maintenance services of electrical building installations

II.1.3) Type of contract

Services

II.1.4) Short description:

The contest is for a framework agreement (the 'Framework Agreement') for the procurement of inspection, service, and maintenance services for all fire alarm installations and all emergency lighting installations at UiO. The framework agreement is for all services connected to the inspection, service, and maintenance of all fire alarm installations and all emergency lighting installations at UiO.

II.1.5) **Estimated total value**

II.1.6) **Information about lots**

This contract is divided into lots: no

II.2) **Description**

II.2.2) **Additional CPV code(s)**

45312100 Fire-alarm system installation work
50711000 Repair and maintenance services of electrical building installations
51700000 Installation services of fire protection equipment
71317100 Fire and explosion protection and control consultancy services
71356100 Technical control services

II.2.3) **Place of performance**

NUTS code: NO011 Oslo

II.2.4) **Description of the procurement:**

The aim of the procurement is to cover the need for inspections, service, and maintenance of all fire alarm installations and emergency lighting installations that are assembled in the buildings that are run and maintained by the contracting authority. The framework agreement also covers replacements wanted by the contracting authority, as well as courses and training on the use of the different installations that the tenderer is responsible for.

In addition, the framework agreement also includes an option for the delivery of user adapted courses on the contracting authority's emergency lighting and fire alarm installations, an option for the preparation of MOM documentation, as well as an option for replacing all and/or parts of the fire alarm and/or emergency lighting installations.

The contracting authority is not open to the use of sub-suppliers in this contest for the inspections and service of fire alarm installations, nor for inspections of emergency lighting installations. See the Requirements Specification (annex 4) and the Tender Documentation for further details.

II.2.5) **Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) **Estimated value**
