II.1.6.

Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 4 684 309,00 NOK

II.2. Description

II.2.3. Place of performance

NUTS code: NO072 Troms

Main site or place of performance: Mortensnes on Tromsøya (the Troms Island).

II.2.4. Description of the procurement

The Mortensnes project comprises five different lots. This assignment includes detailed engineering design for lot 3, lot 4 and lot 5. Lots 1 and 2 have been completed and are not included in this tender documentation.

The assignment includes detailed engineering design for infrastructure (roads, water, sewage, storm water systems, park and green areas) for the Mortensnes district that is located on the west side of the Troms Island. The assignment shall be designed for three separate contract descriptions.

The sewage system for the entire area shall be subject to detailed engineering design as separate systems. This also means that the private service pipes will be completely separated in order to catch the storm water, drainage and roof water from the properties in the area. The storm water may result in occasional pipes and occasional open trenches when found suitable. The municipality has designed storm water lines for the area and has an established plan for flood ways which must be ensured by the engineering design service.

The Division for Water and Sewage shall, in cooperation with Tromsø Municipality, the unit for roads, shall establish a new pavement in accordance with zoning plans. The road can be expanded along some stretches. Completely road development is expected for the trench tracks. The old street lights shall be replaced in the entire area. Most of the cable companies are also expected to be involved in the planning for new cable installations in the area. The cable owners are responsible for the current and/or new cables in the municipal road ground. The zoning plan for the area shall form the basis for the engineering design.

The renewal area (lots 3-5) includes approx. 5 100 metres with main traces.

This project includes the following disciplines:

- consulting engineer, roads, water and sewage systems,
- consulting engineer, electro,
- consulting geologist engineer.

II.2.5. Award criteria

Quality criterion - Name: Assignment comprehension and organisation of work / Weighting: 40

Quality criterion - Name: Competence / Weighting: 30

Price - Weighting: 30

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

IV.2. Administrative information

IV.2.1. Previous publication concerning this procedure

Notice number in the OJ S: [2019/S 237-582548](#)

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a prior information notice

Section V: Award of contract

Title:

900702 — 900703 — 900704 Mortensnes Lot 3, Lot 4 and Lot 5; Detailed Engineering Design

A contract/lot is awarded: yes

V.2. Award of contract

V.2.1. Date of conclusion of the contract

22/06/2020

V.2.2. Information about tenders

Number of tenders received: 4

Number of tenders received from SMEs: 0

Number of tenders received from tenderers from other EU Member States: 4

Number of tenders received from tenderers from non-EU Member States: 0

Number of tenders received by electronic means: 4

The contract has been awarded to a group of economic operators: no

V.2.3. Name and address of the contractor

Official name: Sweco Norge AS (Hovedenhet)

Postal address: Drammensveien 260

Town: Oslo

NUTS code: NO072 Troms

Postal code: 0283

Country: Norway

E-mail: post@sweco.no

Telephone: +47 67128000

The contractor is an SME: no

V.2.4. Information on value of the contract/lot

Total value of the contract/lot: 4 684 309,00 NOK

V.2.5. Information about subcontracting

Section VI: Complementary information
