Name: Other economic and financial requirements

Description of selection criterion: Regarding any other economic and financial requirements that have been stated in the notice or in the procurement documents, the tenderer declares that:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Tenderers must have the financial capacity to carry out contract I

Description of selection criterion: Credit rating of the tenderer, not older than 6 months calculated from the deadline for submitting the application. Foreign tenderers shall submit a credit rating issued by a certified credit rating agency. Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Economic and financial standing

Name: Tenderers must have the financial capacity to fulfil the contract II.

Description of selection criterion: Presentation of accounting figures from two available annual accounts showing the tenderer's turnover. (Not required if the accounts key figures are in the credit rating). Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Economic and financial standing

Name: The tenderer shall have the tax and duty payments in order (only for Norwegian tenderers).

Description of selection criterion: 'Tax and VAT certificate' (RF-1316). The certificate can be ordered via www.altinn.no. The certificate shall not be older than 6 months from the tender deadline. Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Other

Name: Certificates issued by independent bodies for quality assurance standards.

Description of selection criterion: Can tenderers submit certificates issued by independent bodies that document that the tenderer fulfils the stated quality assurance standards, including universal design requirements?

Use of this criterion: Not used

Criterion:

Type: Other

Name: Certificates issued by independent bodies for environmental management standards.

Description of selection criterion: Is the tenderer able to submit certificates issued by independent bodies as documentation that the tenderer fulfils the stated environmental management systems or standards?

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in a trade register

Description of selection criterion: Tenderers are registered in a professional register in the member state in which the tenderer is established. As described in annex XI of directive 2014 /24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in a trade register or company register.

Description of selection criterion: Tenderers are registered in a company register or a trade register in the member state in which the tenderer is established. As described in annex XI of directive 2014/24/EU; suppliers from certain member states may have to fulfil other requirements in the mentioned annex.

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: In the case of service contracts: Authorisations from a particular organisation required

Description of selection criterion: Is a specific authorisation required from a particular organisation to provide the service in the tenderer's home country?

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: In the case of service contracts: Membership in a particular organisation is required

Description of selection criterion: Is it necessary to have a particular membership in a particular organisation in order to provide the service in the tenderer's home country?

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: The tenderer shall be a legally registered company.

Description of selection criterion: Foreign tenderers must present documentation that confirms that the company is legally registered in its home country. Norwegian tenderers do not need to document fulfilment of this requirement beyond the presentation of tax and VAT certificates, cf. the information below.

Use of this criterion: Used

Criterion:

Type: Suitability to pursue the professional activity

Name: Sub-suppliers shall also be able to protect classified information.

Description of selection criterion: The tenderer shall provide information on which part or parts of the contract shall be awarded to sub-suppliers. If sub-suppliers are to be used, annex "5 Self-declaration security requirements - Sub-suppliers" shall be filled in and enclosed with the application.

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: Services only

Description of selection criterion: Only for services: In the reference period, the tenderer has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The contracting authority can require up to three years experience and allow experience from the previous three years to be taken into consideration.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Technical personnel or technical units

Description of selection criterion: Tenderers can use the following technical personnel or technical units , particularly those who are responsible for quality control: For technical personnel or technical units that do not directly belong to the tenderer's business, but if the capacity the tenderer will use, cf. part II, section C, separate ESPD forms shall be supplemented.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Technical facilities and quality assurance measures

Description of selection criterion: The tenderer utilises the following technical facilities and quality assurance measures and the tenderer's survey and research facility is as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Investigation and research facilities

Description of selection criterion: The tenderer's survey and research facilities are as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Management and tracing of the supply chain

Description of selection criterion: The tenderer will be able to use the following management of the supply chain and tracing systems for the execution of the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Control Permission

Description of selection criterion: For goods or services that are complicated, or that in exceptional cases shall be used for a particular purpose: Will the tenderer allow checks of the tenderer's production capacity or technical capacity and, where necessary, of the survey and research facilities that the tenderer has at its disposal and of quality control measures? The inspections shall be undertaken by the contracting authority or the contracting authority can leave it to a competent public body in the country where the tenderer is established.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Education and professional qualifications

Description of selection criterion: The following education and professional qualifications are possessed by the tenderer and/or (depending on the requirements set in the notice or in the procurement documents) of the leading employees:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Environmental management measures

Description of selection criterion: Tenderers can employ the following environmental management measures in connection with the execution of the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Number of employees in the management

Description of selection criterion: The tenderer's number of employees in the management during the last three years was as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Average workforce

Description of selection criterion: The tenderer's average annual workforce in the last three years has been as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Tools, materials and technical equipment.

Description of selection criterion: Tenderers can use the following tools, material and technical equipment to carry out the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Portion of the contract to sub-suppliers.

Description of selection criterion: The tenderer is considering to outsource the following part (as a percentage) of the contract to sub-suppliers. Note that if the tenderer has decided to outsource a part of the contract to sub-suppliers and will use the sub-suppliers' capacity to carry out this part, a special ESPD will be supplemented for such sub-suppliers, see part II, section C, above.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Tenderers shall have sufficient technical personnel to make call-offs against the framework agreement.

Description of selection criterion: Tenderers shall document the average annual workforce in the last three years. The overview shall show technical personnel who carry out scanning, certifications and inspections. As well as any personnel who are responsible for quality control. If the capacity does not directly belong to the supplier's business, the sub-contractor shall also fill in the ESPD forms. Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: Tenderers (as a company) shall have very good experience and competence with work of equivalent size and complexity.

Description of selection criterion: A list of relevant reference projects carried out during the last five years. A minimum of 5 relevant references must be submitted. The attached reference template shall be used in Excel: "Table reference projects". Minimum qualification requirements
Use of this criterion: Used

5.1.11. Procurement documents

Languages in which the procurement documents are officially available: Norwegian
